EXECUTIVE BOARD REPORT

The Associational year 1966-67 has been one of adjustment, reorganization, nd renewed understanding of cooperation under the new constitutional setup. Funconing of subcommittees of the Executive Committee has been smooth, and it is elieved that our work will progress well under the new arrangements.

Following the annual association meeting of last October, the Executive Board as had its regular meetings and pursued the general benefit of the Association. The ubcommittees organized themselves at the February meeting, and reviewed the eas of their responsibility.

At the meeting in April, 1966, the Properties Committee reported completion of orrections to the drainage problems on the property of the home for the Supt. of issions. All during the year the Executive Board lent its influence toward attempts curb the spread and consumption of alcohol, as typified by the action at the eeting opposing legalizing the custom of "brown-bagging." A city-wide telephone urvey was approved for January 27-February 3, 1968, and a Director-led Enlargement

Campaign was approved for March 16-22 or 23-29, 1968. A date in September 19 was approved for an area-wide evangelistic campaign depending on the acceptance such a person as Dr. C.E. Autrey as evangelist. It is well to note at this point that the subsequent meeting of the Board in July, final approval was made for these plan with Dr. Autrey, for August 20-September 3, with Dr. A.L. Parker to be chairman of th effort.

Further work of the Board at the July meeting included the setting of the date f the Stewardship supper meeting held each year. This year this event will be held an evening dinner meeting at the Florida Street Church in connection with the on day session of the annual meeting. The action was also taken at this July meeti to try the one-day session as an effort to secure better attendance in a concentrat period of time at one place.

Areas of study presented to the Board included possible mission work in trail camps, possibility of places of the Associational office, exploration of possibili of purchase of additional land at Lakewood.

Respectfully submitted,
Paul D. Early

CHRISTIAN ACTION LEAGUE REPORT

The activities of the Christian Action League have been of great interest in N. this year with the forces of alcohol dedicated to "pour everything they have into North Carolina battles..." It is acknowledged by these forces that as N.C. goes in "liquor-by-the-drink," the court's ruling on the legality of A.B.C. stores be established in small areas when they have been defeated in the county, and "brow bagging," so will Virginia, South Carolina, and others go. The Alcohol Industry dedicated to "run the gamut" as far as money is concerned to subdue our fine sta The elections have not been settled in the Reidsville nor the Statesville cases they now are on appeal to the State Supreme Court. The League has been an associ in the drive to curb "some of the obtrusiveness of the advertising of intoxicant by having advertisement of alcoholic beverages removed as a deductible busine pense for tax purposes. The League has also established an organization called C. CONGRESS AGAINST WHISKEY-BY-THE-DRINK with some of the State's most spected laymen in leadership and the employment of two energetic and professional iskey fighters to work at this matter. It has added two new films: "Verdict at 1:32" "From 5-7:30"--and a colored filmstrip entitled "Alcohol - Fun or Folly" which e available for showings to interested groups.

We as Baptists, because we are the largest denomination of the State, ist be depended on to bear the larger part of the operating budget. BROTHERHOOD REPORT

Brotherhood is a fellowship of Baptist Men members of the Church organized to vance the cause of Christ through a program of missionary education and mission omotions to inform and motivate men in the task of the Church.

The objective is to lead men and to get men for the following: a deeper commitent to mission; a deeper meaningful prayer life for mission; a deeper and larger ewardship on behalf of mission; a personal involvement in mission and serving rist.

Brotherhood is now a church program for providing missionary education for al men, young men, and boys. It is one of five church program organizations.

Brotherhood's new dimensions required changes in organizational structure. Some one was needed to assume church responsibility for leading the work. So the positio of "Brotherhood director" was created. This man is responsible for initiating, sustaining, and directing the program.

To recap: In February we had Dr. Carl Bates at Layman's Prayer Retreat which wa held at First Baptist and well attended. At Eller Memorial Mr. Henry Stough, Evangelist brought a message on Guiana. At Lakewood the R.A.'s and Brotherhood heard Mr. S.C Ray tell about the Sunday School Crusade in Japan. A boys camp was held for on week also at Lakewood.

EVANGELISM

This seems to be the age of rebellion. People everywhere are rebelling agains constituted authority. Rioting mobs cover the streets at night in our large citie firing guns at random and throwing fire bombs with precision. Lawlessness seems t be the order of the day. Man is bewildered and doped with despair. He searches f the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God' answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstratin Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the church has been the hot an holy fires of revival. From Pentecost to the last revival in the local church, God' answer has been conclusive and complete.

Southern Baptists' attention is directed to the Crusade of the Americas in 196 Twenty-one countries are cooperating in the crusade, We must get ready. Our Go is a God of planning and purpose. Now is the time to get every church committed t the crusade date for 1969.

The biggest news in evangelism right now is the Greater Greensboro Crusad August 20-September 3, 1967. These meetings will be held at the Greensbor Coliseum-Auditorium with Dr. C.E. Autrey as evangelist. Let each church put reasonable amount in the budget for this tremendous evangelistic meeting.

WOMAN'S MISSIONARY UNION REPORT

"Having the everlasting Gospel to preach unto them that dwell on the earth, and every nation, and kindred, and tongue, and people." Surely these words from the VELATION OF JOHN proclaim the purpose, the very heart and soul of Woman's issionary Union. Deep in the heart of every Christian woman is the desire that all ople should know and love our Lord; and the women of Piedmont Baptist Associion are constantly striving for a broader commitment of all our churches to this issionary endeavor. We sincerely regret that there are still eight churches in our ssociation with no missionary organization; we pledge to your our constant efforts help these churches organize missionary organizations that they may know the joy missions.

Believing in trained leadership, we have had a workshop for all officers, and two ission study institutes.

Educating youth in missions lies closer to the heart of every member of Woman's issionary Union. We believe that the missionaries of tomorrow are the Sunbeams, A.'s, and Y.W.A.'s of today. Our summer camp program is outgrowing our facil- es. This year we had two full weeks of camp, and could have easily filled two ore weeks if we could have found the personnel.

This year for the first time we had two Association-wide observances of the eeks of Prayer for Foreign and Home Missions. Both meetings were well attended, d we feel that the women received a special blessing.

For the second time, Piedmont was awarded a certificate as an Honor Assoc. 964-65) among the twenty-one Honor Associations in North Carolina. This attain- ent is the result of the prayers and work of every member of the Piedmont Associ- ional Woman's Missionary Union.

It is with very real regret that I have found it necessary to resign as President of edmont Associational Woman's Missionary Union. My experience has been far o short and too limited, but I have found that the women of Woman's Missionary ion are truly, "Laborers together with God."

Respectfully submitted, Mrs. Samuel G. Wilson, President

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, ne materials, and a new seriousness to our need for Christian training are coming to u through our Training Unions!

This has been a busy year for Training Union in the Piedmont Association. Yo associational Training Union director and/or other associational officers visited in 2 churches throughout our association this year. We assisted in the organization of new Training Unions, 14 new unions, and 7 new departments.

1. Special projects engaged in include: Life and Work Interpretation Clinic Associational Officers' Training Meetings. We had 18 churches represented in th Junior Memory Work Tournament, 3 churches in the Intermediate Sword Drill Tournament, 4 churches in the Speakers' Tournament, and 5 in the Adult Scripture Readin Tournament. This represented 78 people in one or more of the tournaments.

2. Our Association was represented in the regional tournaments by 42 Junior Sword Drill; Janice Younts, Speakers Tournament; and Barry Carroll, Adult Scriptur Reading Tournament.

We had a large group from our association attending our N.C. Baptist Assembl at Southport last summer for one of our Training Union assembly weeks; and smaller group attended our Southwide Assembly at Ridgecrest.

We have a challenge to enlist more members and more churches in a constructiv program of Training. We have a goal to enlist 500 new members and we challeng our churches to start a new Training Union in one of the 14 churches in the Piedmo that does not have a Training Union. Friendly Road Baptist Church has as its go this year to start a T.U. in one of these 14 churches.

May I urge each of you to study and stay up to date with current T.U. material especially THE TRAINING UNION MAGAZINE. This is essential in order to kno what is going on in Training Union work.

Also, may I thank each of you for your prayers, assistance, and support in carryin on the Training Union work during the past seven years. I would like to pledge to yo and your new director my support and assistance in every possible way during th coming year, and beg you to support and use your Training Union as a means toward more effective Christian witness through the local church.

SUNDAY SCHOOL REPORT

Your Sunday School should be given priority time, resources and personnel in yo church NOW!

"Around the sharp curves of the French Broad River, and up the steep slopes of th Smoky Mountains, giant locomotives snatch strings of more than a hundred freight car many times each day. Where one locomotive used to strain every nerve to pull one third the load, screaming for pusher help before reaching the summit, these mul tiple unit diesels roar to less romantic, but vastly more efficient, triumphs ove gravity and space to reach their destination on time."

A LED COORDINATION. "Only the coupling of several power units with strengt coordinated makes the goal attainable. Units do not compete against each other, b against the forces of gravity and inertia."*

But one engine leads. It would not work for that engine to only get there, but all its must arrive together with payload intact.

"If the Sunday School leads the way, sets the pace, and stays on track, the goals ill be reached! All other organizations are depending on the Sunday School to do its b, so they can do theirs."*

WITH GOALS IN VIEW. 1. Ten Million persons enrolled in Southern Baptist nday Schools by 1970. One million enrolled in North Carolina Sunday Schools. A 4% net enrollment increase during 1967 for every church in our Association. r every 100 enrolled now you will want 104 enrolled at the end of 1967. 3. Increases tween now and 1970 should be a net gain of 5% in 1968, 6% in 1969, and 7% in 70.

WORKING YOUR PLAN OF ACTION. Let's hope each church has already set goals r increased Bible Study, enrollment and attendance, for new converts and baptisms, r teacher training, for special studies such as January Bible Study, and for church d mission Vacation Bible Schools. While we may not accomplish all we plan, we ldom do any more than we plan.

GRASPING EVERY ADVANCEMENT TOOL. We would goad you toward using these ols of advancement for your Sunday School:

1. The CHURCH GROWTH PLAN which concentrates on reaching MEN in 1967.
2. Regular well-planned teacher and officers planning meetings to improve teaching.
3. Electing early your VBS Principal and that person's attending the February 20, 1967 VBS Principal's Conference.
4. A full Vacation Bible School Faculty attending the VBS Clinic April 20th.
5. Learning to communicate at the State Communications Workshop May 15th.
6. Providing money in the church budget for S.S. Superintendent and selected teachers to attend Sunday School week at Caswell or Ridgecrest.
7. Conducting a census to locate prospects before August's city-wide evangelistic crusade and leading teachers to include the crusade in their summer calendars.
8. Reminding your church often of the priority tasks of Sunday School: To REACH all prospects for the church and to TEACH the biblical revelation.

CHILDREN'S HOMES REPORTS

Under the impact of the life, ministry and teachings of Christ and under the leaderhip of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a hristian ministry of child care. This has grown considerably and is widely recognized r its qualities of service and pioneering spirit. Sons and daughters of the Children's omes are scattered throughout the world. They are actively engaged in all walks of fe and are making a significant contribution to the uplift of mankind as a result of eir early Christian training made possible by North Carolina Baptists and other iends.

As we continue to build upon foundations already laid, special attention is being iven certain areas of child care. An already strong program of group care is being rengthened at Mills Home, Kennedy Home and Odum Home. A good degree of ogress has been realized in working with emotionally disturbed children at Greer

Home in Chapel Hill. The demonstration Child Development Program for prescho children, conducted on the Mills Home campus, has had an excellent first year operation. Churches throughout the state are studying the program and faciliti preparatory to providing similar services. Prospects are encouraging for a home children in the western part of the state more adequately to serve the needs of people who live west of the Blue Ridge Mountains. Constant attention is being given more effective ways of meeting the highly specialized needs of children coming of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster childre More are needed in all sections of the state. Foster homes serve children of all ag and are of particular advantage for some who have special needs. Foster hor parents may be of varying ages and circumstances in life. Couples with or witho children of their own who have an abundance of love find this to be a challenging a rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to supp our child care ministry. We are indeed grateful for increasing income through t Cooperative Program. Last year's Thanksgiving Offering $315,000.00 and is the large ever. Special gifts and designations such as the once-a-month offering continue provide a substantial part of our income. Through estate planning and the making Christian wills an increasing number of individuals and families are investing present and future generations of boys and girls who are in need of the services of t Baptist Children's Homes.

We covenant with you to face the future as we have the past: to offer Christi nurture to distressed children in the name of Jesus Christ.

DENOMINATIONAL LITERATURE REPORT

The editor of one of our Southern Baptist state papers used to say, "You can infor the unenlisted, but you can't enlist the uninformed." The place of denomination literature in our work is great. There are times when we feel that we have too muc literature to read, but where would we be without it? How would we know what t emphases are? How would we gain inspiration from the thinking of our leaders? Ho would we get materials to use in our teaching, training, and administering?

Our Sunday School Board has long since published some of the finest literature any denomination. It is very carefully edited and very attractively printed. We cann use the excuse that we don't have sufficient materials with which to work. Thousan of dollars each year are invested in free materials that are ours for the asking. Oth material can be had at a nominal cost.

THE BIBLICAL RECORDER is one of our finest state papers. It ought to be in t home of every Baptist family in the state. Knowing what is going on in North Caroli and in the world of missions helps us to be better church members and better su porters of the Cooperative Program. Commendation should go to Editor Marse Grant f his courageous editorials and for the attractiveness of the papers. Charity and Childre publication of the N.C. Baptist Children's Homes, continues to be widely read a appreciated.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society was organized in 1816 and this year marks the one undred and fiftieth anniversary. The message of the Bible has not changed in these ears. It will continue to speak with relevance and power to an unfolding space age. ince its founding, the American Bible Society has carried on a dynamic program of anslation, production, distribution, and encouragement of the use of the Holy criptures.

The Society work is made possible solely by voluntary gifts from churches and dividuals. The single purpose of the American Bible Society is to help in the sowing nd sharing of God's Word throughout the world. To that end, many churches have cluded in their budgets an amount to be used in this great evangelistic effort.

Since 1816 this organization has given away more than three quarters of a billion ibles. This does not always mean the entire Bible, for in many cases a copy of the ew Testament, or even a book of the Bible serves even better to stimulate the desire read more and more of this great Book, divinely inspired to tell of the abundant life Christ.

At the present time, The American Bible Society is distributing the Bible throughout ne hundred and thirty countries in addition to the United States. Wherever a political military blockade does not restrain the efforts, the Bible is placed in the hands of eople, even to reach behind the barriers.

Another part of the Society's work is to see that God's Word is translated into very language and dialect in the world. To date, at least one book of the Scripture as been translated into 1230 languages of which about nine hundred are still in use day. More than two hundred and thirty-six have received entire Bibles and two hun- ed and eighty-nine other languages now have the New Testament. Millions of eople as yet have never read the Word of God. There are yet 1000 languages and ialects into which the Bible must be translated. Over 3000 people are working at is job.

What can we do? We can pray for this mighty work. We can also give to help thers to know about God and His Grace.

FOREIGN MISSIONS REPORT

Remarkable increases in personnel and income have glorified God and magnifie the missionary outreach of Southern Baptists. This is vividly portrayed when o considers the Foreign Mission Board. In 1948, there were 625 Southern Bapti missionaries serving in 19 countries. Now, with almost 2,200 missionaries alrea at work in 62 countries the total budget requirements for 1967 will be in excess $27 million. This will be $2 million larger than the 1966 budget. Such a budget mu provide support for missionaries and operating expenses for ministers of evangelis and church development, Christian education, medical work, publications, radio a television, good will centers, and other avenues of witness on mission fields. must also provide funds for construction of mission residences, churches, hospital schools, publishing houses, and other needed structures.

With the enlargement of the missionary staff from 625 in 1948 to more than 2,2 by the end of 1966, the proportion of expenditures on mission fields now calls for percent of the resources to be used for missionary support, 22 percent for ministri of work, and 25 percent for construction of necessary buildings. For many years t Foreign Mission Board has maintained a standard of utilizing more than 92 perce of its resources directly on mission fields. Funds to provice for such needs co through two main channels: The Cooperative Program and the Lottie Moon Christm Offering. These two sources of missionary support flow together like two large trib taries to form one great river of compassion flowing out into a needy world.

Before us is the ever-pressing challenge of Dr. Baker J. Cauthen, "The time h come for Southern Baptists to fix their eyes upon a new horizon in world missions. T Foreign Mission Board, after long and careful consideration, has issued a call 5,000 missionaries to be placed across the world at the earliest possible time

SUPERINTENDENT OF MISSIONS REPORT

Since we last met as an Association in 1965, many things have been accomplishe Some of the things have come about through patience, persuasion, prayerfulness ar sheer perseverance. Seven years ago today I was introduced to you from this ve rostrum. That day's GREENSBORO DAILY NEWS & RECORD ran the article that th Piedmont was to center its interest on Greensboro and Guilford County (which compris our Associational area) as a metropolitan area in order to keep pace with its grow in an attempt to keep up with its projected growth. This we have done but not to th exclusion of any facet of our balanced Associational program. We have seen eve area strengthened somewhat. We are not going to rest on any past achievements. The is not one church which can say that our Associational Program with its organize departments of work or Supt. of Missions personally has not been aided; though som call on us more frequently than others. Your Associational officers, organization leaders and committees along with the Supt. of Missions are providing essenti services to the local churches, State Convention and S.B.C. agencies and this is wh we exist. Cooperative Service is our objective. Patience, love and availability is ou method. Again I say, though others use ridicule and strong pressures to gain statistic ends, your Associational Officers and Supt. of Missions will never be pressured t use these methods. In a few minutes we shall hear a report from the Home Missio Board on our Associational work, past, present, and projected future which will sho that from the last six years records at least there has been a marked difference i many areas which reflect the success of love over pressure. In the essentials of successful program we have made significant improvement and advance. I personall wish every area were better for Christ Jesus sake.

We have worked with our City Planning and Zoning Boards, traffic engineerin and other related agencies of Greensboro to come to know our city well and thus to b more valuable to our churches and missions. We also have worked closely with ou County Planning Department. In June of 1965 because of this interest and desire t help in the planning, I was invited to be one of a few chosen to attend the Urban Planning Institute held annually at Georgia-Tech in Atlanta each July. This learnin experience should be of benefit to all of our Associational work as it equips me t serve you better in this vitally important area of my work. I thank you for your hel in being able to go back to Tech and participate in this once in a life-time opportunity.

Your Associational Office and its contact with most of our churches has becom a vital part of our Associational and Denominational life. 10's of 100's of pieces o mail, multitudes of people either drop-in or phone in for help each year. We ar called on daily by churches, individuals, Associational organizations, State and S.B.C agencies for assistance. Officers, committees, churches, and individuals make us of our services and office machines. There is no end in sight, indeed it seems tha we can expect it to increase. For this challenging future we are grateful. Your Properties Committee is looking now for an ideally located site for an adequate Associational Center and Office. Your Officers and leaders are planning city-wide surveys evangelistic crusades, director-led enlargement programs, schools of missions an even now new churches and missions are being started. Your Church Extensio workers are looking for sites for new churches and missions. We will need at leas 14-15 new churches by 1985 to keep pace with our present growth rate. We shoul start even more churches to go ahead of minimum needs for our Associational area The Piedmont area of N.C. will need over 100 new cooperating Baptist Churches. Thi calls for cooperation with all our neighboring Associations to meet the challenge. W have already been working toward this cooperation between the Central and Pilot Mountain Associations to meet common problems cooperatively.

This report is the culmination of 7 years of work but the beginning of new areas of challenge for us as Christians in coming to grips with our Metro-area. Pray for your officers and Supt. of Missions that we may become even greater servants of the churches as we continue to grow.

W.A. Duncan, Jr.
Supt. of Missions

STATE MISSIONS REPORT

All areas of State Missions program have made significant progress this year. In many of the areas, new personnel have been employed. Many will recall that the convention gave a record offering in 1968 to the State Missions programs. This year has seen an increase of 26.75% in cooperative program income for State Missions. This is near the top in percentage increases for the various areas in the cooperative program.

The Executive Committee has heard and answered requests for loans from churches for salary supplements for pastors; for contributions from The Heck-Jones offering. The number of requests has not diminished this year. Many of the on-going programs have been strengthened. Time permits me to mention only a few highlights from the year's work. Significant progress has been made in areas of interracial cooperation. Our assemblies have had an excellent season; new buildings or renovation are contemplated at Caswell; new faculty have been added at Fruitland; student work on the various campuses has moved forward with the renovation or completion of new student buildings at East Carolina and Chapel Hill.

A child care program at Cherokee is well underway and staffed. This is of major importance to the area. The Executive Committee has recommended a reorganization of the Missions Division to make the work more effective and more efficient. Certain changes in the By-laws will be presented at the Convention to allow delegates to vote on the proposed changes. It is my view that the change will make our program of activities much more effective.

Dr. E.L. Spivey is retiring this year as Director of Missions, and the Executive Committee has named his successor. Appropriate recognition is being planned for Dr. Spivey.

At its last meeting, The Executive Committee recommended a new retirement and annuity program for staff and pastors. The best features of the old system were kept plus adding many new and desirable features.

These are only a few of the highlights of the program from the State Missions Division.

RESOLUTIONS

1. That we express our appreciation to Florida Street Baptist Church and to a who helped, for their hospitality in the use of their facilities.

2. That we commend the program committee for the innovation of a fine one da Associational program, and urge that a one day Associational meeting be give serious consideration for the coming year.

3. That we express our appreciation to the local news media for their coverage o our Associational meeting and other events in our Baptist life.

4. That we voice our uncompromising convictions and opposition to the furthe

eralization of laws governing the sale and consumption of alcoholic beverages. Be further resolved:

A. That we enlarge the scope of our individual awareness to the moral decay taking place in our society, such as the increased pressure upon Legislative bodies for liquor by the drink, the increasing sale and distribution of salicious literature and the increased promotion and screening of "adult films."

B. That we pledge ourselves to pray for wisdom in supporting public officials and agencies who will seek the moral solutions to these and other social problems.

C. That we urge our people to give greater attention to the matter of personal holiness as set forth in the scriptures as a means of combating these forms of evil.

5. That we encourage all the churches of the Piedmont Baptist Association in the ea-wide Evangelistic Crusade next August 20-September 3, 1967.

EXECUTIVE BOARD REPORT

Just as a family spends considerable time and gives enthusiastic attention in planning and building a new home, just as a church and its leaders become earnestly involved in the construction of a new house of worship, so the churches and people of the Piedmont Baptist Association have given attention this year to consideration of an enlargement of our Lakewood Assembly. This action, and the involvement of our lives in the Greater Greensboro Crusade for Christ, commanded a large portion of our Executive Board's time this year.

In November, 1966, the Board met for organization and consideration of pressing business. The seven committees were elected, and began to function at this meeting. It was at this time that upon recommendation of the Finance Committee that a binder was placed on the Jobe property adjacent to Lakewood Assembly consisting of approximately 50.3 acres (later by survey found to be 47.62 acres) to cost a net total of $16,000. All funds of the Association now tied up in church bonds were designated as to be held or sold to be applied on this projected purchase. The Association Trustees and the Finance Committee were charged to seek out means by way of loan to secure the remaining necessary funds.

Subsequently, in January, the Board further implemented the purchase plans for

Lakewood by authorizing the borrowing of whatever funds would be necessary because lack of sale of the bonds to purchase the property. However, at this time a special appeal to every church that each one give at least 25¢ per member toward this purchase was approved. By this time this appeal has brought in approximately $3,601.71. Further clarification of definite authority of the Trustees in borrowing any needed amount was approved in the January meeting.

Looking beyond the soul-winning effort of the Greensboro Crusade, projections for an area-wide Telephone Survey were made at the January meeting, and this looms now as an effort for enlistment and evangelism of major proportions, with every home in the whole area reached in the survey. Each church in the Association should have many dozens of people involved in this very business-like approach to seeking all persons for Christ, and every Church should thereby know every prospect in its territory.

Looking beyond the Crusade in August, and even beyond the Telephone Survey, the July meeting of the Board voted that our concerted efforts be turned toward enlisting every church in the 1969 hemispheric Crusade of the Americas. To both the Survey and the Americas Crusade we all should now be giving our attention.

This meeeing heard report of the completion of all negotiations concerning the Lakewood property, and that our loan requires payment of $160.98 per month. The Treasurer was authorized to make this payment whenever money was required, and bond money was not available. It should be a matter of record here that during the whole of the 1967-68 budget year more than enough bond money will be available, and that a special committee on long range finance planning is at work, considering the whole of associational needs.

One major need projected for 1968 is caused by the growth and enlargement needs and plans of Lindley Park Baptist Church, as they have requested the removal of our associational offices from the house owned by them no later than April 19, 1968.

Thus Piedmont Baptist Association has moved forward for our Lord during the past year, and faces new challenges in the year ahead. God has declared to be permanent: FAITH, and HOPE, and LOVE. May we be filled with each.

Respectfully submitted,
Paul D. Early, Moderator

BROTHERHOOD REPORT

The Brotherhood of the Piedmont Baptist Association is composed of: Baptist Men - of which there are 25 participating churches; Baptist Young Men - of which there are 2 participating churches; R.A.'s - of which there are 27 participating churches.

During this past year there were at least 2 churches establishing Baptist Men's groups and R.A. chapters.

There were 3 Associational Brotherhood meetings held last year for the purpose of encouraging Brotherhood participation in missionary education and missions involvement for men, young men, and boys.

The R.A.'s had one week of camp at Lakewood, with an enrolment of 87. Brother Glenn Hix was the missionary speaker. 6 professions of faith were made during the one week camp.

A strong Associational R.A. Committee has been formed being led by the Associational R.A. Leader Dr. Wilson Stewart. Other committee members are:

Harvey G. Mitchell - Crusader Specialist

Luke Tucker - Pioneer Specialist
Reid Keiger - Ambassador Specialist
Ray Myrick - New Chapter Representative
Dick Pridgen - Publicity
Troy Raines - Camping

The R. A. committee has tentatively planned:

1. A basic Leadership Clinic for Nov. 6-9
2. A R. A. Banquet on November 10
3. A conclave in the Spring
4. Quarterly Leadership meetings
5. 3 Weeks of R. A. Camp at Lakewood - 1 week for Crusaders-Pioneers-Ambassadors

Your Association Brotherhood Officers would like to assist any church in:

1. Helping to organize new Brotherhood units.
2. Helping to evaluate the Grotherhood Program of a Church
3. Conducting Manpower Surveys
4. Strengthening existing units - or
5. Consultation of Leadership

The program of Brotherhood has four tasks:

1. Teaching missions to all men, young men, and boys
2. Leading all men, young men, and boys to participate in mission activities.
3. Providing organization and leadership for special projects of the church.
4. Providing and interpreting information regarding the work of the church and the denomination.

Assoc. Director

EVANGELISM

Apart from Evangelism in and through the local church two events warrant our attention.

The first is a report of the Greater Greensboro Crusade for Christ with Ford Philpot. Five hundred and ten decisions were recorded. Approximately two fifths were first time; one fifth restoration; two fifths rededication. All had a local or denominational preference while only forty were out of town. The idea for this crusade germinated in our Association and then spread across denominational lines. While greatful for every good thing accomplished we must record that many churches including some of our own failed to support this revival and evangelistic effort as they should.

The second is a projection - the Crusade of the Americas in the spring of 1969. The date for the Piedmont Association is April 6-20. We are told this is the most comprehensive evangelistic undertaking in the history of Christendom. The important thing now is for each local church to adopt this date and get an Evangelist (Preacher) committed for this date. You may well want to hold this revival yourself, Mr. Preacher. You may desire to have your revival during the full two weeks or perhaps only one. That is your decision. Mr. Preacher, please do not accept a revival engagement somewhere else during this time. Let this be one time when we cooperate together 100%. We are counting on you. More importantly the Lord is counting on you.

A. Leroy Parker, Chairman

WOMAN'S MISSIONARY UNION REPORT

This has been a very good year for the WMU in the Piedmont Association with many accomplishments to look back on and many things to look forward to in the coming year.

The year was begun with a leadership training workshop with over 250 attending, to prepare themselves for a new year's work.

In the area of Spiritual Life Development, an Associational Day of Prayer for Foreign Missions was held during the Week of Prayer and a Prayer Retreat was planned at Lakewood in the spring.

One of the most meaningful Mission Action projects was a workshop led by Miss Kathryn Bullard from the State WMU Office in which 38 studied the Laubach method of teaching adults to read. Several have begun to work with an adult non-reader and are seeing real progress.

We feel greatly the responsibility of training youth in missions and carrying on a full program of youth work having G. A. Rallies and YWA Council meetings quarterly at the various churches. Three capacity weeks of GA camp and a Sunbeam Day Camp with 95 eight-year "World Friends" were sponsored at Lakewood.

The Piedmont Association was again recognized as an Honor Association at the State WMU Convention in Winston-Salem.

We will strive with God's help to carry out in the coming year the watchword for 1967 "Inasmuch as ye have done it unto one of the least of these... ye have done it unto me."

Respectfully submitted,
Ellen Parker, President

TRAINING UNION REPORT

1967 has been a busy and progressive year for our Associational Training Union. In November, our annual Associational "M" Night was held with 761 attending. Rev. Buddy Price of Green Street Baptist Church in High Point was guest speaker.

An Association-Wide Methods Clinic was held in January, 1967. Many churches have been assisted in methods during the past year in their individual programs.

In April, Elimination Tournaments were held for the Better Speakers Tournaments, and Bible Drills at Lindley Park. We also assisted with the Regional Training Union Convention in April, at First Baptist Church.

We would like to place the following names for nomination to serve as Associational Training Union Officers for the coming year:

Adults - Curtis Harrington
Young People - Don Dillingham
Intermediates - Dan Bates
Juniors - Gene Phillips
Primaries - Mrs. Dot Boldman
Beginners - Miss Jeanette Wheatley
Nursery - Mrs. Bobby McKinney
Group Leaders:
  Ike Moore
  Hal Sprinkle
  Frank Roberts
  Jimmy Kincaid
Pastor Advisor: Vincent Wall
Secretary: Miss Pat Hardin

SUNDAY SCHOOL REPORT

Your Sunday School has three important jobs that will not be done unless Sunday School does them. Of all the church organizations, only Sunday School has the task of teaching the Biblical Revelation. To Sunday School has been assigned the responsibility for reaching ALL prospects for the church. Who will lead all church members to worship, witness, learn and minister daily if S.S. does not?

The fact that Sunday School is already in contact with the largest group of persons in your church should stimulate you to improve your Sunday School during 1968. Sunday School must be the spearhead of advance.

A LOOK BACKWARD

Although our associational officers have been asked to help in some churches, many others could have called on the training and experience of these for study courses, clinics and personal conferences. Our Vacation Bible School Clinic May 1, 1967 was attended by 282 persons. Forty-three of the fifty-seven churches in PBA were represented. Two of the thirty-three attending the principals' conference were pastors. Earlier in the year a special clinic for VBS principals was attended by more than thirty pastors and principals.

COMING OPPORTUNITIES

Your associational Sunday School officers want to help you in your local church. Larger, central meetings are helpful. Those planned for 1968 are: (1) VBS Principals' Clinic January 29; (2) Telephone Survey, February 22-March 1; (3) S.S. Learning Clinic, March 18 at Magnolia Street Church; (4) VBS Clinic, April 11 at First Baptist; (5) S.S. Action Night, September 10 at South Elm Street Church.

However, the best way our associational consultants can help you is to be invited into your church for individual or group conferences.

SET SOME GOALS

By all means set some goals and check your progress toward those goals at least quarterly.

(1) a 5% net gain in enrollment
(2) At least 50% of all S.S. teachers and officers completing a study course this year.
(3) At least two key S.S. workers attending S.S. Week at Caswell or Ridgecrest.
(4) Some definite effort at ministering during 1968.

Respectfully submitted,
Robert C. Stewart, Supt.

ANNUITY BOARD REPORT

The annuity Board will observe its fiftieth anniversary in 1968. It is estimated that the funds of the Board will be over $195 million during that year.

On January 1, 1968 the Ministers Retirement Plan, the Southern Baptist Protection Plan, Baptist Boards Plan, Orphanage Plan, etc. will be closed to new members. These members will be transferred to the new Southern Baptist Protection Program or to the Southern Baptist Benefit Plan. The Board also operates supplemental plans, such as the Age Security Plan, the Variable Benefit Plan, Life Benefit Plan, and Health Benefit Plan.

Average age of retirement in 1966 was 66.3 During that year $2,850,802 was paid in benefits in retirement plans.

Every Baptist pastor is urged to investigate all the plans offered by our Annuity Board and to participate and lead his church to participate in the Southern Baptist Protection Program or in the Southern Baptist Benefit Program. In addition, he should participate in Social Security. Both are needed if he is to have real security in old age.

Write to the Annuity Board, Southern Baptist Convention, 511 North Akard, Dallas, Texas for further information and application blanks, or write to the Rev. Guy Cain, Baptist Building, Raleigh, N.C.

AMERICAN BIBLE SOCIETY REPORT

There are several things about the American Bible Society that should be of interest and concern to every Christian.

WHAT IS IT? God's Word for a NEW AGE - The American Bible Society is one of the oldest missionary societies in America. It was founded in 1816 for the purpose of circulating the Holy Scriptures to every man on earth in the language or form he could best read and understand. At least one of its 66 books has been translated into more than 1,200 languages. Its work in the U.S. and overseas serves hundreds of missionary societies and national church bodies.

WHAT IT DOES - The chief concern is to get the Bible into the hands of those who do not have it and to do so in a way that people will want to read and discover God's purpose for their lives. There are four major divisions for this work:

TRANSLATIONS: The Society aids translators by counsel and supervision. These projects are going on continuously on every continent and the islands of the sea. Over 3,000 translators and revisers are working at present in more than 500 languages and dialects.

PUBLICATIONS: Long experience with skillful and constant supervision has resulted in publication of readable and durable Scriptures at low cost. In a recent year, the Society printed more than 48 million copies of Bibles, Testaments, portions and selections.

DISTRIBUTION: Hundreds of people volunteer as helpers. Thousands of copies of Scripture are given away without any charge. In 130 years of services to the blind, the Society has distributed approximately 950,000 copies of Scripture in some 50 different languages and systems.

PROMOTION OF BIBLE USE: The Bible only becomes meaningful when one opens it, reads it and applies it. May we encourage our people to read the work and then spread the message that the world may know of God's love and grace.

Vernon Williams

SUPERINTENDENT OF MISSIONS REPORT

This year since our last meeting I have studied many books, periodicals and attended conferences as a participant or staff member. The experience of teaching about Metropolitan Missions at Ridgecrest and being on a special committee of

Supt. of City Missions in N.C. to counsel with Drs. Crouch and Ford about the entire program of Metro-Missions, has been rewarding. The opportunity to attend the Engineering Extension Division of Georgia Tech for a seminar in Urban-Planning opened a new opportunity to be of more assistance to our city and Association as we continue to work together as Greensboro expands. Since being elected to our Greensboro Community Council I have been in a position to come to know of more areas of cooperation and come in contact with leaders of groups and commissions which are leading out in an attempt to deal with the urbanization of Greensboro. Invitations have come to me to become part of a community-governmental group in planning for the development of Greensboro and Guilford County. The Piedmont Association is now considered a part of the planning and development team. You can be justifiably proud of this.

We have held meetings with various committees and individuals as we push plans for our coming area Telephone Survey in March 1968. Many churches have responded to our repeated requests but we need to hear from many more of you immediately. Please contact our office and send us the names of your committeemen asked for on the blank.

Due to a rash of resignations of part of our pastors, I have been occupied with pulpit committee work and providing supplys, interims for various churches, as well as serving as supply almost every Sunday since mid January. I've only had 2 or 3 services vacant to visit in 5 months. I'm thankful that I'm available to aid in emergencies. I've sent others to fill-in vacant pulpits almost every Sunday since January. Most churches are now back to normal with a resident pastor.

The purchase of land at Lakewood was not as easy as anticipated since some valuable papers had to be found before the purchase could be consumated. The survey revealed that slightly less than 50 acres were available to us representing 2/3 of the total Jobe land. This was purchased and is now in our possession. Preparation to buy the land, clear camping area, open and get pool operating, painting and other vital repairs and installations at Lakewood has required 15 trips on my part since March, amounting to somewhat over 1,000 miles of driving. I have installed temporary flood lights on the pool so that swimming could be extended into the night somewhat. Mr. Spencer is to arrange for a permanent lighting soon. I already have the ditches dug about the pool to lay the cable in. If the present rate of use continues, we will have over 5,000 persons using Lakewood this year. This is almost 100% increase over last season. I have also installed signs pointing to Lakewood along Alamance Road.

We need your help and consideration to provide for expanded usage and development of camping facilities and other uses of the additional land recently added. You should be proud of your encampment as it is "The Pride of the Piedmont." It already is the envy of others. Labor Day week-end is reserved for Baptist Families to camp and picnic at Lakewood. Pastors, encourage those who would not like to take a long trip over Labor Day to consider Lakewood for a family outing. More adult use will mean more support.

We produced advertising and publicity for our Greater Greensboro Crusade. We did art work and printing along with mailing to all churches for most organizations. Miss Hardin and I feel as if we have tried to be good stewards of our time and resources and have worked many Saturdays and evenings to be of more service to the personnel and churches of the Piedmont Association.

It was eight years ago at Temple Baptist Church you extended me the call to help you pioneer a Metropolitan Missions program to augment our Associational program. I see many things ahead to thrill us and challenge the best in us in the days ahead. I pray for each of you daily and only ask that you be considerate of our human frailties and faults. Opportunities to be of use are opening now that were not even dreamed of two years ago. We are humbled by the recognitions of the contribution of your Association to Greensboro. Miss Hardin, my office assistant, has also gone into churches with programs about our city and work and together we are reaching many areas here-to-fore unreached. Pray for us. Most of our work is behind the scenes and goes unnoticed but gives support. We do not ask recognition, we only ask that you give your prayerful support and interest as we try to support your churches in a changing world and a changing program. we are honored to be your servants.

In our eight years together, we have added to our properties additional lands, built a swimming pool for considerably less than all contractors estimated, paved walks, improved plumbing and lighting. The dam on the lake has been repaired. In a three day testing period at Lakewood, I caught bass and brim enough to convince me that our lake will produce good gishing for any patient fisherman. The areas nearby are good for tent or trailer camping and some work has been done toward clearing out a new camping site in the opening adjacent to the S.W. corner of the clearing and ball field.

We have enough bonds maturing and bringing in interest until 1979 to stand good when interest and matured principle is applied to the loan so as to need only a few extra payments in the budget a year to offset the loan principle and interest. All interest and bond principle is to be applied to the loan. It is almost self-liquidating.

The properties at 719 Westland Drive have been improved considerably by my own work and the help of your properties committee. It is appraised at a considerably higher value than it took to build it.

A mission round up shows that many churches are now operating some institutional ministries and I have met recently with Dr. Ford to see if some guidelines cannot be established in insure that our "continuing missions" to the underprivileged and minorities will not have to compete with rural-urban and new work each year for its state mission allocation. Drs. Ford and Crouch feel there is some answer to remove this annual competition for funds. Sharpe Rd., Devon Dr., Barker Rd., Community, Central Chapel, Victory, and Lake Brandt, all have built or added to their plants this past year. Willomore aided by a small loan has certainly been strengthened and beautified. Mt. Zion, Jessup Grove, Brightwood, and Lakeview are soon to undertake building and even relocation. A bright future is assured and all of us should take pride in the fact that we as Cooperative Baptists have contributed in some way to all this. Your Associational Office has often been able to turn despair into joy by providing counsel and contacts to most of these. You provided this ministry.

We now have a well organized athletic union that provides wholesome sports both summer and winter. Without the initiative of the Association, this would not be' true. We hope to expand this even more in the years to come. We'll need your backing and promotion as we expand this vital thrust to aid the lives of your youth.

I would suggest a few personal recommendations for the future - in view of discussion in various committees recently.

1- That serious study be given to providing an adequate Associational office building soon.

2- That a study be given to the possibility that a small charge be made for use of our Lakewood facilities which could be earmarked for the use of the Lakewood Development Committee for capital improvements and future expansion. This is now necessary unless an increased budget amount is allocated.

3- That all of our churches participate to the maximum in our Greater Greensboro Telephone Survey.

4- That we all follow the Leadership of our Chairmen of Evangelism in participation in the Crusade of the Americas.

I shall close now, for I believe you begin to see that there are many great things even beyond our imagination yet to be grasped.

Respectfully submitted,
W.A. Duncan,
Supt. of Missions

REPORT OF THE BAPTIST STUDENT UNION

The new Director of the Program of Baptist Student Work (Baptist Chaplain) at the University of North Carolina at Greensboro arrived in July. He is Dwight R. Fickling, former Baptist Chaplian at East Carolina University; and, succeeds Monroe M. Ashley who left N.C. to work for the Sunday School Board in Nashville.

We feel that the goal or purpose of a campus Christian organization such as the Baptist Student Union (BSU), stated in general terms, is to help persons to maturity in Christ. Or, as Paul said it, "... till we all attain unto the unity of the faith, and of the knowledge of the Son of God, unto a full grown man, ..." (Ephesians 4:13). The canon, or measuring stick, which Paul would use, and have us use, is Jesus the Christ.

There were 1,002 Baptists in a total enrolment of 4,930 students in the fall of 1966. We expect some 1,030 Baptists in the total enrolment of approximately 5,100 for the fall of 1967. The university predicts an enrolment of some 7,000 students by 1970.

In attempting to realize the goal of the BSU, the program and organizations are varied as different needs arise. During this year the students are organized into commissions. These voluntary groups, under the leadership of an elected chairman, will undertake, in their area of concern, study as well as some kind of appropriate practical activity. The results of the study, and the inspiration and motivation to action will be shared with the total BSU membership, Student Center, Publicity, International Students, Missions, Social Action, Education, and Worship. Commission chairmen and other elected general officers are under the leadership of this year's BSU president, Susan Wasserman.

Weekly opportunities for students to participate in programs at the local level and thereby to grow, consist of: study-discussion groups on Christian community, on the Christian faith and its expression, and on any other requested subject of relevance to Christian students; morning devotions one day per week, and on Thursday evenings, a supper-forum, preceded by a brief devotional period. In the forum, use is made of various media to present topics of concern to Christian students, and opportunity is given for free and open discussion. Topics during the first semester this year are under the general heading of "The Christian Student and World Concerns." This is an effort to follow through on the Southern Baptist Convention emphasis for 1967-68 A Church Fulfilling Its Mission Through Ministry."

There are occasional special programs throughout the year in which study, service, or worship are emphasized.

Our BSU participates in the statewide BSU through the Fall Convention, the International Student Conference at Thanksgiving, the Spring Conferences, Summer Missions, and other summer programs of service to the churches.

Participation at the national level is just about limited to the Student Conference at Ridgecrest or Glorieta, and to special conferences which come along once every one or two college generations.

International sharing, fellowship, and participation are made possible through the Baptist Youth World Conference, which meets every five years. The next meeting is in the summer of 1968 in Berne, Switzerland.

In all of these ways of sharing with others of like faith, we seek to lead students to a deeper personal commitment to Jesus Christ; to a deeper level of communication with their fellow Christians; and, to a responsible use of their total lives in response to God, and in service to fellowman in the name of Jesus.

The ministry of the BSU is campus-oriented, student-led, and church-related. So, we appreciate and encourage your heart-felt concern, your financial contributions, and your prayerful support of this part of the total ministry of our churches.

Respectfully submitted,
Dwight Fickling, Chaplain

CHILDREN'S HOMES REPORTS

Our Children's Homes have served a great need now for some eighty-two years. The need of having a home for every boy or girl to grow up in and have the basic needs supplied. Since not all boys and girlu are fortunate enough to have a proper home life with Dad and Mother to care for them, we as Baptist have sought to meet this need by establishing and supporting our Children's Homes. As the number of children increases, the expenses increase also. Thus, each year we are called on to do a little bit more for our Children's Homes.

Dr. W.R. Wagoner reports that we have provided case work or referrel for some 388 children and continuing service for some 918 children, a total of 1306 children. In addition to this, there were 148 in the process of further evaluation at the end of the year.

The children who come under Baptist care come from varied backgrounds but almost all come out of great misfortune. Only 6% of the children are truly orphans, 28.7% are half orphans, but a majority come from broken homes, 65.3% have both parents living but not providing for their care.

Buildings and facilities contunue to be a great need. Plans for the future include $1,074,000 earmarked for buildings to be completed by 1970. These are to be provided by the current, capital, special and deferred giving from Baptist families, other concerned families and individuals, N.C. business industry, communities, trusts, and foundations.

Mr. and Mrs. William M. York provided a nice cottage at the Mills Home in memory of their daughter who died in'infancy. It is this type of generosity that has enabled our Children's Homes to do the wonderful job they have done.

Income from several sources is to be noted for last year:

CHRISTIAN LITERATURE

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church members?

Is there any definite plan to acquaint the membership with Baptist doctrine and polity?

Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian literature in the homes?

Do your deacons and church officers have a regular source of information as they help shape the policies of your church?

Is there a planned way to get accurate information and helpful suggestions to your church leaders?

The simplest and most economical way toget all this information into the homes of your church members is through the BIBLICAL RECORDER. Under the Church Budget Plan, this can be done for only 4¢ a week.

Consider just one thing the RECORDER did this year: In reporting accurately and courageously the doings of the General Assembly in Raleigh, the RECORDER performed a significant service for Baptists, as well as other denominations. A number of daily newspapers, including the CHARLOTTE OBSERVER, credited the RECORDER with being a major factor in the defeat of a liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you posted and to urge you to act.

As another example of service to its readers, the RECORDER is continuing to run both S.S. lessons - the Uniform Lessons and the Life & Work Curriculum Lessons. Outstanding writers have been secured to do these lessons.

In addition to the weekly ministry in nearly 89,000 homes, the RECORDER editor now writes a weekly religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

REPORT ON COOPERATIVE PROGRAM

The Cooperative Program came into being in 1925 upon the recommendation of the Commission on Future Program. Following the adoption of this program the churches were asked to make a canvass of the membership near the end of the calendar year to secure subscriptions to the annual budget for the following year. This action gave the Executive Committee some material to use in making allocation on a percentage basis to the several phases of the work of the Southern Baptist Convention.

The Cooperative Program is the greatest step forward in Kingdom finance Southern Baptists have ever taken. It was slow and gradual in its formation. It is sane, scriptural, comprehensive, unifying, economical, and thoroughly workable. All denominational causes can be included. Every church member can have a part in all of our work at home and abroad by giving through the Cooperative Program. The following is a testimony from a missionary who praises the Cooperative Program:

> "I can almost say I owe my life to the Cooperative Program," said Missionary James D. Crane of Mexico.
>
> "At the close of twenty years of missionary service in Mexico, I was stricken by a heart attack. The hospital to which I was taken is supported by the gifts of Southern Baptist through the Cooperative Program."
>
> "Off hand, I can name more than twenty pastors, Christian lawyers, teachers, doctors, nurses, and denominational workers across Mexico who were given an opportunity because you have student homes."
>
> "Your liberality has inspired struggling young Christian men and women of Mexico to higher things."

What can we do to strengthen this great plan of giving? First, we can create an awareness of the Cooperative Program as a channel of support for the programs of the State Conventions and the Southern Baptist Convention. Second, we can assist churches and associations in establishing, conducting, enlarging, and improving plans for increased support of missionary education and benevolent work. Third, we can make available materials for the promotion of the Cooperative Program so that our people will be informed about all of our work. Every facet of our denomination which is supported by this financial plan should be studied and taught, for people give generally to causes of need about which they have information. Let us seek ways and means of more clearly relating Cooperative Program giving to the total stewardship concept as taught in the Bible. Two excellent books on this subject are: "Our Cooperative Program" and "Principles of Stewardship Development."

In the Piedmont Association we can see how an emphasis upon Cooperative giving will lead to growth. In 1959 we gave $193,462 for Cooperative gifts while in 1966 we gave $250,577. For all gifts we gave in 1959 $1,642,399 while in 1966 we contributed $2,431,059. This increase is the result of the work of Mr. Duncan and the Pastors of the churches. As we mature in Christian experience we give more for the work of Christ. The field of stewardship is a challenging and responsible one, for each one of us must give an account of our stewardship before God.

RESOLUTIONS

WHEREAS, the Program Committee has prepared for us such a splendid program with many outstanding personalities that have challenged us to "press on to the prize of the high calling" more diligently, and

WHEREAS, the leadership of the Officers of our Association has been inspiring and a primary factor in achieving the goals we are duly proud of, and

WHEREAS, the First Baptist Church of Gibsonville, N.C. and Bessemer Baptist Church of Greensboro, N.C. has shown us a most excellent spirit of hospitality in serving this session of our Association with their facilities and the preparation and serving of lunch and dinner respectively,

THEREFORE BE IT RESOLVED that the Association go on record as expressing our appreciation to First Baptist Church of Gibsonville and Bessemer Baptist Church of Greensboro.

WHEREAS, we face a tidal wave of racial strife that plagues our society, and

WHEREAS, there is a steady degeneracy of our moral and spiritual standards and structure, and

WHEREAS, the action of our recent legislative session has liberalized the use and consumption of alcoholic beverages, and

WHEREAS, this being the contributive factor to the destruction of life on our highways, the disruption of employment and break-up of homes,

THEREFORE BE IT RESOLVED that we, the Piedmont Baptist Association, reaffirm the Christian conviction of total abstinance from alcohol traffic and consumption; that we personally obey the command of Christ "to love our neighbor as ourself" and that we be no respecter of person or persons; that we follow the light given to us and open the doors of our lives and churches that our world may know the power of God's transforming grace, and

BE IT FURTHER RESOLVED that we shall become the light and the savouring influence of the society in which we live.

WHEREAS, in the light of the revealed needs, materially and spiritually, that have been made known to us through the reports given in this session, by the sermon of Rev. Gerald Primm, and the guest speakers,

of Rev. Gerald Primm, and the guest speakers,

THEREFORE BE IT RESOLVED that we dedicate ourselves to the deepening of our spiritual lives through prayer and through the actions of being a more faithful steward, and

BE IT FURTHER RESOLVED that the spiritual and physical growth of every facet of our Association, State, and World wide mission endeavor shall continue unabated as we give all our treasures for the Master's use.

Reports

MODERATOR'S STATEMENT

24 October, 1968

Baptists have always found their primary reason-for-being in evangelism. Through revivals, through earnest invitations in all services, through personal witness, we have sought to preach the Word, and to win people to Christ.

Two primary and foundational beliefs have given strength and power to evangelism: these are trust in the inerrant Word of God, the Bible, and the missionary imperative. We declare that "the Bible is the supreme standard by which all human conduct, creeds, and religious opinions should be tried." We exhort preachers, young and old, to preach the Bible. And we take as marching order, "Go into all the world, and preach the gospel to every creature."

We thus have held in our hearts from the beginning the answers to all the problems that divide us, that cause us to fear, and make us almost hate. The Southern Baptist Convention came on the scene just over 128 years ago, and God has used us. My prayer is that He will today. I believe God is now deciding if He can further use us or not, based on our response to His need, today. And what a day it is!

Fear and distrust have so gripped our nation, that positive or negative, Christian or unchristian, liberal or conservative attitudes about race relations have become the most potent force in the campaigns of nearly all candidates for office today. What a man says or does not say about race relations seems to be the magic key to hoped-for election

For Jesus' sake, let Baptists go back to the foundations, the Bible and missions, and evangelize. Evangelize whom? The Bible has the answer: "Love thy neighbor AS THYSELF." Who is the neighbor? Read on in Luke 10 and see Jesus said the neighbor was the SEGREGATED man of His day, the Samaritan. And when James quoted this commandment to love, he added, "But if ye have respect to persons, ye commit sin." Whom do we evangelize, and love as ourselves, if we obey Jesus? Every human being, especially the segregated ones, those one is humanly inclined to look down upon.

The Holy Spirit straightened Peter out on his race prejudice, in Acts 10, in showing God's requirement to forget about race when building His church and reaching people for Him. Although God had told the Jews through Isaiah centuries before, Isaiah 56:7, "For mine house shall be called an house of prayer for all people," the Jews had been defiantly exclusive, and so Peter could say truthfully, Acts 10:28, "It is an unlawful thing for a man that is a Jew to keep company, or come unto one of another nation." No, they didn't associate with or visit people of another race. So fear and hatred grew. But after the Holy Spirit's ministry to Peter, he knew the truth: "But God hath showed me that I should not call any man common or unclean." So he went witnessing across the racial barrier, saying, "Therefore came I unto you...of a truth I perceive that God is no respector of persons." (Acts 10:29, 34) Paul had to reprimand Peter later when he stopped eating with Gentiles, as Paul put it; Gal. 2:11, 12, "I withstood him to the face, because he was to be blamed. For before that certain came from James, he did eat with the Gentiles: but when they were come, he withdrew and separated himself, fearing..."

It really is as simple as that! We believe that God loves all people, and that being children of God makes us all brothers. There is absolutely no scriptural basis for separation of peoples in Christian worship, no basis at all for a group of people calling themselves a church not offering God's love to all in full fellowship. Scripturally, it must be a sin against the Holy Spirit's message to do less than this. How else is it true, Gal. 3:28? "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female: for ye are all one in Christ Jesus." Speaking about all of us, black, white, pink, or purple, God declares in Ephesians 2:13, 19, "In Christ...now therefore ye are no more strangers and foreigners, but fellow-citizens with the saints, and of the household of God." So in Colossians 3:8-11, whatever person is in Christ must put off all anger, wrath, and malice, for he is a new creature: "Ye...have put on the new man...where there is neither Greek nor Jew,...barbarian, Scythian, slave nor free; But Christ is all, and in all."

That kind of plain teaching makes so much more sense than a condemnation spoken, not by God, but by Noah getting over a drunk, condemning not Ham, the offender, but Canaan, whose descendants are recognized in just a cursory study to be inhabitants of the land of Canaan, Gen. 10:15-19, "Jebusites, Amorites, Girgasites, Hivites," with borders clearly described in Palestine, not Africa.

What causes riots, fear, looting, wars, occupations, racial strife, international suicide? The absence of faith in Jesus Christ, the absence of His gospel of God's love and forgiveness, the absence of Christian loving each neighbor as self. What does the Bible say? "Preach the gospel to every creature." "Love your neighbor." Jesus Christ never drew ANY lines between people, except between the lost and the saved. The New Testament declares that all the middle walls of partition are torn down.

There are signs in the Piedmont that God's children and churches here are going to provide this kind of answer to the south's, the nation's, and the world's problems. May God hasten the day! Christian brother and Christian brother, with no barrier between, mutually accepting, receiving, loving, and honoring each other, do not either war against each other, or dare one another to move across a street. "Little children, let us love one another." Amen.

EXECUTIVE COMMITTEE REPORT

Having come now to the end of the 1967-68 Associational year, both purpose and accomplishments for the year fall into focus, and the major result appears t be a re-grouping and clarifying of our major financial responsibilities, with evidenc that we enter the new year both solvent and hopeful of new, wider missiona abilities.

The first major action of the Executive Board's year was a call, in Novembe by the special study committee through Chairman Gene Phillips, for certain emergenc measures to be taken by the churches. These were adopted. They were: 1. Requestir all churches to make all gifts undesignated for 1967-68. 2. Striking the Revolvir Fund from the '67-'68 budget. 3. Careful reservation of any designated funds. 4 Promotion of budget gifts by all the churches. These recommendations have bee carried out. To further stabilize the financial work for the year, the Finance Com mittee has recommended and the churches are being urged to make contributior now either on a 2% of local budget gifts basis, or at the rate of $1.50 per tot membership listing.

During the year another major move was made. Upon prior notice by the Lindle Park Church of need for possession of the house used as the Associational Offic the Properties Committee brought to the Board two possibilities, with the resu that official direction was given that a suite in an office building at 1010 Homelar Avenue be rented at $135 per month, utilties included.

There are a number of matters relating to finances, that we look forward t solving in the year ahead. Lakewood and several repair and improvement items wi surely receive our attention. We look forward to be able to build a major source o real extension capital for vital new missionary work at the Associational leve By the work of this year we now know where we are! We are therefore at last abl to set a course to really get somewhere as Missionary Baptists.

Respectfully submitted,
Paul D. Early, Moderator

BROTHERHOOD REPORT

With the new organization of Brotherhood emphasizing Mission Study and Mission Action there seems to be a renewed interest in the work of Baptist Men, Baptist Young Men, and Royal Ambassadors on a local church level throughout our Association.

During this past year the Associational Brotherhood was able to assist a number of our churches in orientation, in renewing Brotherhood work, and in the initating of two additional Baptist Men's groups.

There seems to be a good number of our larger churches which do not maintain an active Brotherhood work. We are hoping to be able to see more of these larger churches establishing or renewing Brotherhood work this coming year.

During this past year Mr. Buford Henderson, one of our state Brotherhood leaders, spoke at an Associational Brotherhood meeting challenging men in Mission Study and Mission Action. This coming year tentative plans are being made for at least one work shop for Brotherhood work. This meeting will probable be held in the fall of this year.

A quick check of our current Association Minutes will disclose an obvious challenge to many of our churches to consider Brotherhood Work. Only 23 of some 60 churches have a registered Brotherhood work. To date, with the addition of the two new works, there are 25 out of 60. Only 6 of the 60 report an active Baptist Young Men's work.

Respectfully submitted,
Otis W. Davis

ROYAL AMBASSADOR REPORT

Missionary education and mission action for boys is provided by Royal Ambassadors, an arm of the Brotherhood program in the local church. The Lord has blessed in many ways the work of the Associational R.A. Committee during the year 1967-68.

We submit the following:

1. An active committee worked faithfully during the year. Those who comprise the committee are: R.A. Leader - Dr. Wilson L. Stewart; New Chapters - Mr. Ray Myrick; Camp and Recreation - Mr. Troy Rhames; Publicity - Mr. R.A. Pridgen; Music Director - Mr. Durard Murphy; Crusader Leader - Mr. Harvey Mitchell; Pioneer Leader - Mr. Richard Whiteheart; Ambassador Leader - Rev. Reid Keiger.
2. A program on Royal Ambassador work was presented to the Pastor's Conference in October.
3. A Leadership Training Course was held at Parkway Baptist Church in November. 52 men were enrolled with an average attendance of 35. The fundamentals of the Royal Ambassador program were taught by the committee members.
4. An Associational banquet was held on November 10 for the boys and their leaders. The attendance was 170.
5. Mr. Ray Myrick visited eleven churches during the year with a total of 22 visits. Eight new chapters were organized in the following churches: Lindley Park, Buchanan, Bessemer, Camp Herman, Lankford Memorial, Sumner, Hillcrest, and Magnolia Street. Inspirational meetings and/or leadership training courses were held in each church.
6. The spring conclave at Lakewood Assembly attracted 150 men and boys. A field day, consisting of athletic events and an Associational run-off for the Pinewood

Derby, delighted the boys. Rev. Reid Keiger brought an inspirational message after the hot-dog supper.

7. One week of camp under the direction of Mr. Troy Rhames was held in August at Lakewood. The registration consisted of 88 boys, 12 counselors and three staff members. Rev. Ralph Gregg was camp pastor and led 17 boys to make a profession of faith and 5 to feel God's call to Christian vocational work.

8. The fourth national R.A. Congress in Oklahoma City attracted more than 13 boys from our Association to attend. Your R.A. Leader was privileged to serve as counselor on one of the busses sponsored by the Brotherhood Department of the Baptist State Convention.

9. One of the most important achievements during the year was the beginning of the HERALD, the official voice of the R.A. work in the Piedmont Association. Mr. Dick Pridgen serves as editor of this paper, which goes to every church.

10. One quarterly leadership training night was held at Friendly Avenue Baptist Church in March.

11. The Associational display of R.A. materials and program was used at the State R.A. Congress in Charlotte and at Caraway.

12. Two new flags were donated for use in future programs. These flags are the finest that can be bought and are greatly appreciated.

13. Your R.A. Leader has assisted in regional R.A. Leadership courses in Durham, Lenoir, and Winston-Salem, in a Brotherhood workshop in Thomasville, in a central Training School in the Pilot Mountain Association, and in a state-wide Counselor's Clinic at Caraway.

Our goals for next year are:

1. To organize more new chapters in churches which do not have them. The ultimate goal is to have active chapters in every church.

2. To offer the best leadership training possible on the Associational and local church levels.

3. To reach more boys in the spring conclave and in the fall banquet, and to urge their fathers to share with them.

4. To provide the best Associational camp possible and to promote attendance at Camp Caraway.

5. To develop the program in the local churches to provide for all age groups.

6. To train today's boys for tomorrow's leadership in missionary education and mission action.

We thank God for His blessings of this past year and pray for an even greater year ahead in outreach and study and action. Our thanks to the Piedmont Association for the privilege of serving in the Royal Ambassador program.

Respectfully submitted,
The R.A. Committee
Wilson L. Stewart, Chairman

TRAINING UNION REPORT

Training Union has taken on a different image in the Piedmont Association. The new concept has made the Training Union the training arm of the entire church. In keeping with this role, over twenty churches have now developed some form of new member orientation. All but ten of our churches have some form of training program.

Mobilization Night, held in November of the 1967-68 church year produced a record crowd of over 1,000 people. Jim Frost of the Sunday School Board was the guest speaker.

In light of the new role of this organization in Southern Baptist life and in keeping with the action of the North Carolina State Baptist Convention, your Associational director recommends that the name be changed to THE SCHOOL OF CHRISTIAN TRAINING.

Respectfully submitted ,
J. Monte Bishop, Director

SUNDAY SCHOOL REPORT

In this strategic year of the CRUSADE OF THE AMERICAS each church must use its Sunday School as the primary reaching and thrust force. The prospect search that has been suggested in preparation for the CRUSADE will best be done by Sunday School, already in touch with a larger number of persons than any other church organization or activity.

IN MEMORY OF DR. WHITE

The tragic death of our state Sunday School Secretary, Dr. Claude White, means that the rest of us must work even harder than ever. One of Dr. White's favorite eaching illustrations was that of a railroad track, each rail necessarily parallel to the other. Were they not parallel, if one rail were to get out of line, the train would plummet off the track and smash.

The two tracks our Sunday School needs are REACHING and TEACHING, according to Dr. White. If we concentrate only on REACHING the result is that we lose folk because of ineffective TEACHING almost as fast as we gain them. Increase in REACHING people and improvement and updating our TEACHING are the two important tracks on which the train of advance toward the CRUSADE OF THE AMERICAS must safely travel.

COMING OPPORTUNITIES

Again this year your associational Sunday School Consultants will be glad to come into your church for clinics and conferences. We feel we can be of most help when we can deal specifically with your special, unique situation. Since some raining can best be done in city-wide conferences these are planned during next year. February 24, South Elm Baptist Church, an Associational Conference on Personal Evangelism and Evangelism Through the Sunday School; Associational Vacation Bible School Clinic, First Baptist, April 29; Encouragement to churches o send Sunday School Superintendents to Ridgecrest or Caswell for a summer ssembly; A "Be Prepared Clinic" for General Superintendents and pastors who will be leading their churches in S.S. Preparation Week, August 25, Lindley Park Church; Area S.S. Convention, September 10 at Friendly Avenue Church; Preview tudy on "James" for teachers of 1970 January Bible Study, Dec. 1-2.

HAVE YOU SET S.S. GOALS?

We will not do all we plan to do; but we sure won't do any more than we plan o do. Therefore, set definite goals for increase in enrollment and attendance for 969; a definite goal of new members to be reached; a definite number of study ourse awards to be earned; a definite number of persons to attend Sunday School

Week at a summer assembly.

May God grant us all the courage and wisdom to run on both tracks during this next year.

Respectfully submitted,
Robert C. Stewart, Supt.

WOMAN'S MISSIONARY REPORT

In line with the purpose of the Associational W.M.U., a workshop and training session was held at the beginning of the year. Over 300 persons took part in these conferences in order to better train themselves to do the work for the year.

A new idea in Foreign Missions study was tried for the first time this year six area studies were held at various churches, with outstanding teachers selected to teach these students. 500 were in attendance at these studies.

An Associational Day of Prayer for Home Missions was well attended during March. The speaker for this was Mr. Glendon McCullough, Secretary of the Departmen of Missionary Personnel for the Home Mission Board.

Another concern of the associational work is the establishment of new organizations in churches which do not have mission organizations. Unfortunately, we were no very successful in this area during the past year and it is a matter of great concern when many churches do not feel the call of missions in a way which would lead then to form groups for the study and prayer support of missions causes, especially fo the training of youth in missions. We know that from these groups come the future foreign and home missionaries. We would be very grateful for the opportunity to hel any church to start new organizations for mission training.

G.A. Rallies, Y.W.A. Council Meetings, and a Sunbeam Day Camp were hel this year, plus three weeks of camp at Lakewood for G.A. girls. Over 200 girls attended camp this year and many decisions were made which will mean much t the cause of Christ in the years to come.

Respectfully submitted,
Ellen Parker, President

CHRISTIAN EDUCATION REPORT

The Baptist Colleges of North Carolina in 1967-68 have had one of their banne years. Building programs have increased and followed through in all cases. Greate number of students have increased in the past few years and the past year bein somewhat of a record. The caliber of teachers and professors continue to improv year by year with dedicated men and women striving to prepare the youth for thei necessary involvement for Christian lives in the coming years.

We urge each church in the Piedmont Association to support the Educationa institutions of our state financially, but even more than financially, support wit your concern and prayer.

Respectfully submitted,
Albert S. Lineberry

REPORT ON COOPERATIVE PROGRAM

What the budget is to the local church, the Cooperative Program is to the denomi nation. It is support for all missionary causes at home and abroad--it's preachin the gospel--it's healing in the name of Jesus through hospitals and clinics every here--it is teaching and training Christian leaders for all the great tasks of King- om endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your nurch channels a worthy part of its income through the Cooperative Program, e enter into partnership with God and one another in obedience to the command, Go.. preach... teach..!"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative ogram and support our prayers with sacrificial giving of self and substance. The ates Association had 100% of their churches giving through the Cooperative Program uring 1967.

A new Eight Day Stewardship Program will be available from the Stewardship ommission of the Southern Baptist Convention on April 1. It will suggest visitation f every family in the church by the Deacons, prayer by every church member and a 'eek-end Stewardship Revival. Many of the pilot churches have found this an effective ay to increase giving and pledge the church's budget.

According to records available our Association gave $266,474 during 1967-68 r World Missions through the Cooperative Program.

We recommend:

1. That each church plan, vigorously promote, and subscribe a worthy budget.
2. That each church have a special prayer for Cooperative Program causes during ach church service in October.
3. That each church give regularly, a worthy percentage of each offering plate ollar through the Cooperative Program.

Respectfully submitted,
Claud B. Bowen

AMERICAN BIBLE SOCIETY REPORT

History tells us that 1816 was the year.
The year when the American Bible Society came into existence.
And, my friends, you can take it from here,
The Devil was determined to offer much resistance.

He knew the nature of the work the ABS was to do.
He knew the vision these dedicated people had.
As this Society to it's vision stood true
Lost people getting saved would make the Devil mad!

For 150 years the Word they have printed.
And this without comment or note.
To thirteen hundred and twenty-six languages it is presented;
Yet, in over 1000 more the Scripture is not wrote!

How can we help a group like this,
And how will our State and our people benefit?
Gifts from our churches are like heavenly bliss
And, in turn, the Society can print the Holy Writ.

N.C. Baptist Churches give $7,614 last year.
Through Scriptures to many agencies in our State, this money was spent.
Our records show that to many of our instituions dear,
Twenty six hundred, and more, copies of the Word were sent.

Places like Samarcand, McCain, and Leonard Training School;
Odum Prison, Morrison, Barium, and Jackson Training, too;
To Florence Crittenton, Barium Springs Home, ABS is a tool.
With our profiting in this way, what can we do?

Go to your Budget Committee and say, ''listen to me'',
''This work is made possible as we financially communicate.''
Then let us do all we can to see
That our church helps the American Bible Society operate.

Don't go away and say this poem is bad!
Don't even go away and say it is good!
Don't wait till too late and wish you had,
But go now to lead your church to give as it should.

James Thompson

LAKEWOOD BAPTIST ASSEMBLY REPORT

Glowing reports have come in from the G.A. and R.A. camp leaders this year. The reported response in dedications and conversions has helped us to see how worthy and valuable our Camp is to us. Most of the weeks were filled with campers, eager and enthusiastic boys and girls wanting to be taught and challenged.

This year a total of 2,833 persons used the Camp, 644 were there for a week, 786 were over night campers and 1,403 were day campers. This summer three churches used the swimming pool for baptismal services.

We need to take note that ALL who use the camp are required to pay for insurance. This is not optional at all. This is the only way we have of carrying our liability insurance on camp users. Pastors and church leaders should inform their groups that the insurance is to be paid by each camper. The rate is twenty-five cents for one day or less, fifty cents for more than a day and up to a week. We have tried to hold the line in matters of spending money on any non emergency items at Lakewood this year to the shortage of funds. Even needed repairs have been postponed for a while. But we must not allow our camp to go down or to fail to continue to develop for this reason. We must find ways and means of getting the needed monies to maintain Lakewood as a fine Baptist Assembly.

Some of the most needed items your Lakewood Committee are considering are:

New roof on the Assembly Building	$1,250.00
New well...To supplement the water supply	500.00
Repairs on Cabins	200.00

Toilet Repairs	100.00
Chain link fence backstop for ball field	100.00
Painting	200.00
Chain Saw...for clearing new camping areas	150.00
TOTAL	$2,500.00

Your committee invites and urges that gifts be made to Lakewood by interested persons to take care of some of these pressing needs. How about it you rich Baptist?

VINCENT G. Wall, Chairman

BAPTIST HOMES FOR THE AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on Nov. 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

Mrs. A. J. Hewett

RADIO AND T.V. COMMISSION REPORT

In recent years the Commission's outreach has blossomed to phenomenal proportions. It produces and distributes 28 radio and television programs. More than 1,500 stations air these programs in a total of 2,300 broadcasts each week, and they have an estimated audience of 50 million people - a quarter of the nation's entire population.

The Commission's "Baptist Hour" and "Master-Control" are familiar programs to much of the American radio audience. "The Baptist Hour" is a radio worship service featuring the evangelistic messages of Dr. Herschel H. Hobbs, pastor of First Baptist Church, Oklahoma City, while "Master-Control" is an entertaining, informative, inspirational music-interview variety program. "Omniscope," an adaptation of the "Master-Control" format for use by college radio stations, is a recent venture aimed at the vast and growing student population.

"The Answer" a half-hour dramatic or documentary color film dealing with spiritual and moral issues, enjoys similar familiarity with domestic television viewers. And "Jot," which stars an animated dot, has envoked overwhelming response among the color cartoon-conscious kiddies of the South and Southwest.

But Southern Baptists' radio and TV ministry to foreign countries is perhaps even more impressive. 9 radio programs now are produced in foreign languages, and broadcasts of Commission programs are heard in 40 countries.

SUPERINTENDENT OF MISSIONS

Many things have happened this year to encourage us - we acquired new properties at Lakewood, giving us the wooded land adjoining the ball field and western shore of the entire lake with approximately 65 acres. We will soon finish payment on our Addressograph, which has already increased our services and aided many organizations and churches. We moved into new offices on March 6th, immediately upon completion of our Area-wide Telephone Survey, which by the way netted us a book of "unchurched" somewhere approximating 9-10,000 when other packets were worked even after the survey was formally over. The new office has increased our office efficiency greatly. We will always be grateful to the Lindley Park Church for the use of the building for 8 years without cost. It enabled us to get started.

I shall for the first time in 10 meetings with you try to give you some idea of much of the minimum routine things that have been of aid in the last 9 years. All are based on an average days work or an average weeks office production - there are many Association committee meetings, pulpit committee meetings, phone calls and letters and hours of study and many speaking and supply engagements I shall not enumerate. State, regional, and S.B.C. meetings in which I have participated, I shall not enumerate. Someone asked, "What goes on in the Associational Office regularly?" The following averages over 9 years may begin to help you gain an insight into the volume of services we render:

We schedule visual aides and book Lakewood reservations and provide a service which reaches most of our churches to some degree regularly. This service varies with the churches request. I have averaged about 22,000 miles in actual work annually in 9 years and worn out four automobiles all in all about 198,000 miles in the work. We have averaged two mail outs a month, with about 15,840 averaged pieces on 142,560 pieces regularly. We have averaged at least 9 conferences with groups of individuals in the office a week or 4,312 minimum average over 9 years. Since 1965 we have published the BOOK OF REPORTS including 25-30 pages with the covers. Generally speaking, a conservative average of work enabling churches to start bulletins averages out to 6,750,000 bulletin covers for 14 churches with photography work for 9 of these churches. Mailing lists and mail outs for various governmental, community, clerk and Associational organizations, Governor, Mayor, T.V. stations, Jaycees, Christian Action League, Greensboro Ministers Fellowship and our Pastor's Conference, State and Area S.S. T.U. Meetings, Group Learning Clinic (SBC), Associational Communications Conference, State Communications Conference, Metropolitian Missions Conference, 2 Area-wide surveys, Stewardship newsletters, folding, providing mailing lists for pastors and for various organizations, and individuals; R.A. Herald (occasionally), "M" Nights' Covers and promotion, mission survey mail outs. Lakewood pool, basketball and softball mail outs and schedules, rules and by-laws for both leagues for 5 years. We have also produced special mail outs not included above for T.U., S.S., W.M.U., Brotherhood, R.A.'s , Lakewood encampment promotion, WMU Annual Year Books, Assoc. YWA Programs, Civic and Social Committee of the General Board, etc. Almost every week we have at least 2 or 3 requests from our Organizations for printing, folding, or addressing envelopes, in addition to the other work we do for them. Personal and Group Conferences on Building plans including photography and Plat Placement drawings for our churches which helped 32 of our church in the beginning stages, and one Lutheran and one Negro congregation. At their own request we have helped obtain information for 43 pulpit or personel committees in 9 years, many as much as 3 times. This necessitated many calls and letters and conferences. A vital ministry to these churches.

Your Associational Office has fostered and successfully completed S.S. and T.U. Central Leadership Training promotion. Simultaneous Revival Promotion and enlistment, Stewardship Clinics and promotional materials, Workshops and clinics for most organizations, Church Development Programs in 18 churches, 4 others later finished it. Swimming Pool construction at Lakewood encampment, procurement of additional property for Lakewood assembly grounds. Pastor-led and Director-led Enlargement programs, communication workshops for Association and also State-wide Group-Learning Clinic (S.B.C. cooperation). Procuring at minimum cost adequate office equipment to serve our churches (we only had 1 desk, 1 table and 2 chairs when I came 9 years ago.) We have had to acquire this to handle and increase our work load through the years. We have continuously promoted and presented to the churches our entire Denomination Missionary and Organizational Programs along with our distinctive Associational areas of work. This has called for tens of hundreds of conversations with groups and individuals and necessitated hundreds of committee meetings after routine office hours often into late hours of the night. Many such meetings have been held at lunch or supper hours in order to work them into our schedule. Our Association is rated southwide and especially in N.C. as the largest supporters of Denominational Benevolent and Cooperative Mission work in the state. We know of many things that we would like to do but until we gain the moral and financial backing of our churches in assistance of our Associational Mission Budget we will continue to have to curtail action on many of these desirable activities we know we should do. With your continued support we will add more services from time to time. Accordingly, we are making the following recommendations.

1. That a Seminary Extension Center be established for the advanced training of our lay leadership and pastors and further to coordinate this with our Church Leadership Training Directors program. That the unit of Associational work formerly known as Training Union be the organization responsible for this operation and promotion. Students will provide the capital to operate this center from fees thus relieving our budget of this burden.

2. Recommend that this Association be afforded an opportunity for a World Missions Conference (formerly known as School of Missions) at some time in the near future, but so as not to conflict with other projected programs. The Calendar of Activities Committee and the Assoc. office could help in the establishment of appropriate dates and promotion. I suggest that the Assoc. WMU and the Brotherhood be the program organizations charged with this responsibility in line with their responsiblity in Missionary Education.

3. That we establish as a correlated work an annual period of Christian Training to be held in some central location, as a basic Leadership Training School. There should be annual training offered in methods, missions, music, administration and leadership improvement, etc. The support and promotion to come from the budgets of the S.S., T.U., W.M.U., Brotherhood and Music so as to save by substantially reducing the amount needed for each organization in promotion. This we need to assure our churches of a source of continuing training.

We look forward to our work in 1969 with greater anticipation with a hope to see a broader and widening influence of your Associational Board and Supt. of Missions as servants of the churches. We have now a view of the fulfillment of the retirement of our indebtedness and of our properties at 719 Westland Dr. within another year. The bonds held on various churches are scheduled to almost entirely retire the indebtedness on the new Lakewood Properties acquired since our last meeting. With the backing of our churches and missions, we will be able to develop and further many objects and programs we could not engage in heretofore.

Respectfully submitted,
W.A. Duncan, Jr.
Supt. of Missions

EVANGELISM REPORT

Southern Baptists are engaged in the largest undertaking in evangelism in the history of Christendom. This is called the Crusade of the Americas, and embraces many Baptist bodies in Canada, The United States, Central America and South America.

Preparations have been in the making for over two years. Our own association began to paln well over a year ago. Dates were adopted at the associational meeting last year and subsequently amended to embrace April 6-27 a three week period in the spring of 1969. Churches may utilize all of the weeks or any part of them.

Our state Leader in Evangelism, Brother Julian Hopkins suggested in the beginning that each church vote officially to participate in the Crusade. Thirty of our churches have already voted to do so. More recently the suggestion has come that any church not desiring to vote can simply give assurance they plan to participate.

In September, the Associational Rally was held in the First Baptist Church with over three hundred attending. Dr. Roy Fish of Southwestern Seminary was the principal speaker. Dr. Claude White, our state Sunday School Secretary, also spoke and a week later came to an untimely end in a fatal automobile accident.

The Baptist Pastors Conference is devoting a fifteen minute period each Monday to prayer and consideration of the Crusade. Pastors will meet at 1:00 P.M. on the last Monday of each month for more intensive prayer preparation. Plans are in the making for prayer retreats to be held in some quiet place outside the city of Greensboro.

Local churches are encouraged to participate through PACT. This is an effort to establish prayer partners with another church and is handled by the W.M.U.

Two recommendations are made:

1. That we continue to seek to enlist every church in the Association to participate in the Crusade.

2. That each participating church be invited to participate financially in the Crusade in proportion to the $200.00 to be set apart by the Bessmer Baptist Church.

A. Leroy Parker
Chairman of Evangelism

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The care of dependent, neglected and homeless children is the primary task of the Baptist Children's Homes of North Carolina. In addition to this ministry it is the purpose of our Homes to join hands with other Christian forces to strengthen wholesome Christian family life throughout our state. In the past our people have supported this agency in a most generous and commendable way.

In recent years our Children's Homes have been engaged in a long range plan for expansion of services and the upgrading of their facilities. One of the most significant decisions was that to purchase a 92 acre tract of land near Waynesville in Haywood county as a future location for a Western Home for Children. We are happy to report that progress was made in the last year and this new home will soon become a reality.

While giving attention to a program of diversified services to meet the needs of children and their families in a changing social order group care, foster home care, and family services are being strengthened. Income through the Cooperative Program, the Thanksgiving offering, and designations from churches and individuals constitute the major portion of the income of our Homes. It is the continued purpose of this agency to extend a variety of quality services to as many people as possible.

Baptists of North Carolina have done well in the past in their support of this ministry. The future, however, will demand that we do more if this agency is to serve effectively and fulfill its assigned purpose. Again this year we urge our churches to increase their support and make this year's Thanksgiving Offering the largest ever. And let us add to our gifts our most earnest prayers daily on behalf of this vital ministry of our convention and our churches.

Reid Keiger

HOME MISSION

Home Mission Board, 161 Spring Street, N.W.,
Atlanta, Ga. 30303

Missions and evangelism staffs have been involved heavily in preparation for the major emphases of the Crusade of the Americas and Project 500. These emphases are expected to make major advances in an effective Christian witness to the 75 million unchurched in the United States.

The missionary staff of the Home Mission Board totaled some 2,266 in early 1968, representing a gain of 101; 460 appointments were made of associate and career missionaries. A total of 740 student summer missionaries was assigned; 626 supported by the Home Mission Board and 114 by Baptist Student Unions. There are 666 chaplains on active duty; approximately 100 are in Vietnam. In addition, approximately 300 chaplains serve in hospitals, institutions, and industry.

The 1966-67 Convention emphais on "The Church Fulfilling Its Mission Through Education" led the Board to emphasize the centrality of the Word of God. The 1967-68 emphasis on the "Church Fulfilling Its Mission Through Ministry" places the spotlight on many home mission ministries which have been performed through the years. The minorities, the disadvantaged, and the poor are brought to our attention as the objects of divine love and persons whom we ought to seek to reach for Christ. The Crisis Statement adopted by the Southern Baptist Convention at Houston points out the concern of our denomination. The Home Mission Board was delegated the responsibility of putting this concern into suggestions for deeds, rather than just words. A committee of five was appointed by the Board to gather information and make recommendations. Mrs. A.L. Parker of our association is a member of this committee of five which seeks to serve the entire convention in implementing the crisis statement.

The climactic year of 1968-69 places stress on the "Church Fulfilling its Mission Through Evangelism and World Mission." Here, through the Crusade of the Americas and Project 500 we magnify the ultimate purpose of all home mission work--to lead people to know and follow Jesus Christ as Lord and Saviour, seeking to do this through an intercontinental evangelistic effort and a special thrust in establishing new places for teaching and preaching the Word of God.

We face the future with confidence in the living Christ and with commitment represent him faithfully in this troubled world.

Most of the work for the past year has centered in Project 500. This is a special effort over and above thei regular activity of establishing new churches and church-type missions in the entire convention. It is a two-year effort culminating in the summer of 1969. We learned at Home Mission Week at Ridgecrest this summer that our reaching the goal had been slowed considerably by a lack of funds for the project. Still the goal of Project 500 is to establish by September 30, 1969, 500 strategically located new churches or church-type missions affiliated with the Convention, within the areas entered since 1940 by active Southern Baptist work.

Early in '67 a goal of 50 new chapel-type missions was established, but the number actually established was 140, in our Pioneer Missions areas. Churches in the northeastern pioneer areas averaged a 25% increase in membership over the previous year.

The Christian task in the homeland grows with each passing day. During 1967 the national population reached 200 million. By 1980 it is expected to reach 242 million. Migration from central city to suburbs will continue. Problems of poverty, racial tension, and public and private morality will doubtless continue with us. The more than 75 million unchurched Americans must be reached for Christ. At this stage in national and world history we do well to pray and work for a renewal of spiritual vitality and a revival of Christian faith.

Julian S. Hopkins has stated that "unless we (the Christians in America) become deeply concerned about a revival on God's terms (not our terms); so deeply concerned that it is the overwhelming burdens of our hearts, we have no right or ground for expecting spiritual revival--a revival like God has promised in His Word. (II Chronicales 7:14)."

Let us pray that in our day we shall see marked progress toward the goal expressed in the Home Mission Board motto: "Our Land for Christ." May we join the staff of the Home Mission Board in this objective.

Respectfully submitted,
Norman Livengood

CHRISTIAN ACTION LEAGUE REPORT

With a budget of only about $20,000 annually, the Christian Action League of North Carolina has been waging a life and death battle against the beverage alcohol traffic of North Carolina. It is probably not too much to say that without the work of the League, North Carolina would already have been completely captured by the liquor interests.

However, we must now turn our attention from the past to the immediate future as it relates to the alcohol problem. In our own county of Guilford an election on the establishment of A.B.C. stores in High Point will be held on November 5 this year. This election has been called by the High Piont city council despite the fact that the liquor advocates have been defeated by votes of almost two to one, twice during the past several years. The forces of evil never give up.

Also, it is general knowledge that the liquor forces will wage an all-out campaign in the coming 1969 State Legislature to establish the principle of whiskey-by-the-drink in North Carolina. The present level of financial support to the Christian Action League will not be sufficient to defeat the multi-million dollar liquor lobby.

As one who serves in the dual role of trustee of the Christian Action League of North Carolina, and also representative of the Christian Action League in the Piedmont

Baptist Association, I strongly suggest the following action on the part of our individual Baptist churches; first, that you remember the League in your prayer meetings, and second, that each church adopt some plan of financial support to the League.

An amount that should be within the reach of every church would be on the basis of 10 cents per church member. Such support by all our churches in this association would mean approximately $2,650, next year to fight against whiskey-by-the-drink in our state. Can we really afford to do less? Some churches could even do more, and some are already giving more than their fair share of support.

The address of the League's state headquarters is: The Christian Action League of North Carolina, D.P. McFarland, Executive Secretary, P.O. Box 2126, Raleigh, N.C. 27602.

Respectfully submitted,
Gerald C. Primm,

RESOLUTIONS COMMITTEE

1. That we express our appreciation to the Summerfield Baptist Church, and to the Buchanan Baptist Church, and to all that helped, for their hospitality in the preparation of an excellent meal and in the use of their facilities.

2. That we express our appreciation to the program committee for a challenging program whereby we have been brought once again to consider the Christian's call to serve a Risen Lord.

3. That we, the Piedmont Baptist Association, voice our uncompromising convictions and opposition to the further liberalization of the laws that govern the sale and consumption of alcoholic beverages, and that would permit an increase in the sale and consumption of alcoholic beverages.

4. That we voice our concern and alarm at the moral decay of our present day society, and also that we shall do what we can to slow, or halt, the accelerating peace of such decay.

5. That we encourage all members of the Piedmont Baptist Association to pray, and to become involved in the Crusade of the Americas.

Whereas there seems to be a growing trend toward the opening of all types of businesses on Sunday, requiring the work of more and more people, and causing many working family members to miss having a uniform day off together, and

Whereas we believe that Sunday is the Lord's day, the present fulfillment of the Old Testament Sabbath because of the Resurrection of the Lord Jesus, and that the vast majority of citizens, church people or not, want this day protected as far as possible from business encroachment,

Therefore, Be It Resolved, that the Piedmont Baptist Association with fifty-eight churches and over 27,466 members in the Greensboro area go on record opposing any move toward further opening of businesses on Sunday, and as favoring the passage of such laws as shall protect the day from unnecessary business transaction, and other general business openings." In the July Executive Board meeting it was decided to recommend one name to e Baptist State Convention Nomination Committee to serve as a member of the eneral Board. The name of A. At this meeting a committee of three, along with the moderator nd clerk, was chosen to make recommendations to update and strengthen the Consti-ition of the Association.

SUPERINTENDENT OF MISSIONS REPORT

This is my tenth anniversary with you. We have participated in many usefu ventures of cooperative missions training together our churches and the work o Christs' Kingdom is the richer for them. It has been a decade of progress in foundatio building in preparation for the years ahead.

It has taken many conferences, workshops, clinics and surveys to make u aware of the greater challenge of the '70's. We have tried always to be ready to hel our churches, State denomination and National Convention and also to draw from them the best of help for you in the churches. It is the church which is the harvest tool the Association exists to serve as a sharpening stone to prepare the church to do better job in the work of extending the witness to the world. May we continue to mak progress in improving our witness and ministries as we round the corner into a new decade -- the glorious and challenging 1970's.

Thank you for the many rewarding and encouraging experiences in and among th churches of our Association. I thank God and you for the privilege and opportunitie to serve along side of you this past ten years. We are laborers together with God.

Sincerely,
W.A. (Dub) Duncan

BAPTIST STUDENT UNION REPORT

The Baptist Student Union serves the local university community from the Baptis Center located adjacent to the UNC-Greensboro campus on Stirling Street. Rev. Dwigh Fickling serves as Baptist chaplain. He operates the Center, offers personal ministrie to students, and leads BSU-ers in many projects of study, worship, fellowship, an Christian action.

The Center receives its financial support through the Cooperative Program fron the Baptist State Convention of North Carolina, and the ministry of the local B.S.U. is under the direction of the state B.S.U. Director.

Many local churches join in the ministry of the Baptist Center, furnishing some financial support for programming and other projects. The cooperating churches also join each year to welcome the new students to the local campus.

Through your cooperative giving, you are sharing in the local ministry of Baptist Student Union. Come by the Center and see what you are sharing in.

Rev. W. Joe West, Representative

REPORT OF SUNDAY SCHOOL WORK

IN REVIEW: Highlights in Associational Sunday School work during a year when most of our church Sunday Schools are refocusing on correct teaching and increased witnessing as priorities include the April Vacation Bible School clinic with more than two hundred attending and the always welcomed invitations from local churches for our associational officers to assist with study courses and worker training. Your Associational Sunday School consultants feel that our greatest service to you is when we can go to a local church, to assist in solving specific problems and meeting unique opportunities of that church. We encourage pastors and Sunday School Superintendents to call on us for assistance, being assured that we will give it to the limit of our available time and resources. We further express appreciation to those who attended the Evangelism Clinic and the Pre-Preparation Week Clinic provided by Associational Sunday School.

FACING FORWARD: The following training opportunities will be provided, Association-wide, during the coming year:

*Shaping the '70's Conference - Jan. 20-21, First Baptist
*Apartment Ministries Conference - Feb. 26, 16th Street
*S.S. Central Training School - March 16-17, Bessemer
(includes VBS Principals' Clinic)
*V.B.S. Clinics - April 16, First Baptist
*Church Leadership Conference - April 23, Friendly Ave.
*1970-71 Literature Conference - May 18, Florida Street
*Pre-Preparation Week (Teachers) Clinic, Aug. 17, Eller Mem.
*Sunday School Action Night - Oct. 6, Lindley Park
*Preview Studies of January Bible Study - Dec. 7-8, Rankin

BROTHERHOOD REPORT

Refinement is the suggested terminology in referring to the changes in Brotherhood beginning in October, 1970. The tasks of Brotherhood remain the same. To:

1. Teach Missions
2. Engage in Mission Activity
3. Provide organization and leadership for special projects
4. Interpret information about the church and denomination

Of course, these tasks are directed primarily to boys and men. This affords a specialized effort in mission education, and mission activities involving the men and boys.

Your Associational Brotherhood is an organization or team of leadership which assists the churches with their mission program for men and boys.

This assistance may take such forms as training, interpreting, organizing new units, providing opportunities for fellowship and inspiration, demonstrating types of mission activity and cooperation in the total mission program of the Association. The biggest suggested change in Brotherhood organizations in the 70's will be with the Royal Ambassadors. Please refer to the R.A. Report for these changes.

BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training or medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other helath agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Among church supported agencies, N.C. Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1,200 children and their families are being served annually by this ministry.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

Friends of the Children's Homes, in Western N.C., have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in that part of N.C. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offsprings will be opened this fall.

By the use of designated gifts and bequests from individuals and families, significant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during 1970.

The generous support of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to the continued operation of his vital ministry. Our Baptist Children's Homes, like our local churches, have been caught in the rising costs of living and in an inflationary economy. Additional operating ncome is necessary for maintaining the current program before any further expansion f services can be considered.

We commend our Baptist Children's Homes for the ministry they perform on behalf of N.C. Baptists. And we wholeheartedly recommend to the churches of the Piedmont Baptist Association to increase their prayer and financial support of this ministry. Let the people know what the Children's Homes are doing and their need nd we believe that the Lord's people will respond generously with a sacrificial offering of love.

If you have members who might be interested in the establishment of a trust fund r need counsel on providing for this ministry in their will, members of the Children's Homes staff are available for consultation.

Reid Keiger, Representative

COOPERATIVE PROGRAM REPORT

When the word "stewardship" is used, most of us begin to see dollar signs $$! f we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means responsibility -- responsibility in all areas of life. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude s that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way or expressing our gratitude for His blessings.

Those of us who are privileged to leadership are dedicated to teaching and training n the Biblical doctrine of stewardship and try to give our very best to this ministry.

The Cooperative Program is the main channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Mission program. The goal for these causes this year is $6,750,000.

As dedicated Christian stewards, will you try to lead your church: 1. To use a stewardship program to help subscribe your own church budget. 2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

On your invitation, we stand ready to assist in every way possible.

CHURCH TRAINING REPORT

The Church Training Department of the Piedmont Association sponsored tw programs of special interest during the year. Mobilization Night, November 25, wa attended by 751 people from 33 churches. Eighteen (18) Juniors participated in th Junior Memory Work Tournament which was held April 25. 17 of these participated i the Regional Tournaments and all were declared eligible to participate in the Stat Tournament at the N.C. Baptist Assembly.

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

To meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend (consumer price index to record 123.7, Dec. 68) continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary, rather than the outdated $4,000 per year. The Annuity Board and state conventions heartily recommend this action.

HIGHLIGHTS OF 1968 (SBC):

1) 3,451 new members in the Southern Baptist Protection Prog.
2) 23,714 members now participating in Plan "A," 1,538 more than in 1967
3) 18,086 churches providing protection for their pastors
4) 145 agencies providing protection for 9,894 employees
5) $173,863 given in relief grants
6) $6,543,169 paid in total relief and protection benefits
7) 3,106 applications for Health Benefit Plan, 1,677 net gain
8) 790 applications for Life Benefit Plan, 134 net gain

THIRD YEAR FOR "13TH CHECK" For the third consecutive year, the Annuity Board issued a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

The Piedmont Association has 37 churches and 51 staff members enrolled in the Protection Program. The Association is also enrolled with 1 person.

REPORT ON CHRISTIAN HIGHER EDUCATION

North Carolina has seven (7) Baptist Colleges which are: Wake Forest, founded 1834; Chowan, 1848; Mars Hill, 1856; Campbell, 1887; Wingate, 1896; Meredith, 1899; and Gardner Webb, 1907. The churches contribute through the Cooperative Program each year to these schools. Five of these schools are now four (4) year schools, three of these have moved to the four (4) year program in the last decade. In addition to the Baptist schools, we have Baptist Student Unions on major campuses throughout North Carolina.

Truly effective work of Christian Education for the Academic community must concern itself with the diversity in role and development obvious on any campus. Yet the same gospel needed in non college communities is needed in the college community. May all of us give mind and heart to seeing that the youth in our State are given the distinct advantage of pure Christian teaching. It is our responsibility to demand and expect that our youth have the best education possible, but we must have Christ in the center of this education.

Respectfully submitted,
Tom Williams, Representative

LAKEWOOD REPORT

We report another excellent year in the use of our Associational Camp. As usual there were not enough choice dates to meet the request, but there were few days this season that the camp facilities were not being used.

The use of Lakewood ran like this - A total of 2,253 persons using the camp, 759 were there more than one day, 1,457 overnight campers or day campers.

Special thanks go to the churches, groups and individuals who responded to our plea for the Lakewood Improvement Fund. Some $3,500 was given and this enabled us to put a new roof on the assembly building, to repair cabins, to drill a new well and o install a pump in the well. Also extensive repairs were made on the Caretakers Cottage. Several more important items are needing attention and will be done as money becomes available. We urge further gifts to the Improvement Fund this year.

We also have a few problems concerning Lakewood. Please take note of these and help us solve them.

1) CAMPER INSURANCE PROBLEM: Everyone who uses the camp must be insured. This is true whether it's for a picnic or overnight use. The insurance is 25¢ per person or one day or part of the day. It is 50¢ for more than one day or up to a week of use. We pay our insurance on the basis of how many use the camp. So all must pay for heir insurance.

WOMAN'S MISSIONARY REPORT

"Go ye,"--but did God mean me? "Surely He did," answers the Woman's Missionary Union of the Piedmont Association. And to back up this belief that the Great Commission is the obligation and privilege of every Christian she tried eagerly o glorify God through the work of the local church by making the call of missions lear and compelling!

But what did the Piedmont Woman's Missionary woman do to help carry out the ask of missions? Just listen! She assembled herself some 500 strong to attend the eadership Conference in the fall of '68 to learn together the BEST ways to do His ork through Woman's Missionary Society, Young Women's Auxiliary, Girls' Auxiliary nd Sunbeams. She left inspired from the words of Mrs. Zeb Moss, missionary to ambia at the annual meeting in March; she thrilled at the challenge Mrs. Jean hillips, missionary to Rhodesia, presented to 500 G.A. girls at their Spring Banquet; he marveled at the awareness of young hearts as they grasped new meanings of od's love at Sunbeam day camp at Lakewood in May; she contributed to a cross-country trip to Glorieta for the Associational YWA president that resulted in dedication to full-time service and enrollment in a Bible college, she found mountain top experiences as she shared with 3,000 other women the blessings of WMU week at Ridgecrest in August; she reaped the benefits of an Associational Officers Workshop at Rocky Mount when they in turn brought the new ideas to local WMU leaders.

Yes, she feels God meant "me" when throughout His word He commanded "Go ye." The challenge of the watch word for 1969-70 she shares with you -- the church, the pastor, the organizational leaders, you, the member -- "My little children, let us not love in word, neither in tongue, BUT IN DEED AND IN TRUTH." (I John 3:18) The challenge of a School of Missions she recommends to you for the first full week of November, 1971.

Shannon S. Wyrick, Director

REPORT OF RESOLUTIONS COMMITTEE

The test of Christian fellowship is love. Here we know we are the Lord's, and, we know too, we are His children having entered into God's Kingdom through the New Birth. This, we thank God, is our distinction!

Inevitably, we must express that inward love outwardly and objectively! To love is to give and to give, surely is to live. On this day we have been the happy recipients of the gracious provisions of two of our splendid churches: Rocky Knoll, and Southside. Rocky Knoll on the high rock of Christ, and Southside in the deep warmth of Jesus Christ!!

We are grateful to these churches, and will remember them in our devotions to God.

Respectfully submitted,
Raymond Lanier, Chairman

REPORT ON MEMORIALS

In honor and, in memory of those of the Piedmont Baptist Association who have gone on to their heavenly rewards during the church year, 1968-69 we come now to that special and sacred moment when we remember their deeds of love and Christian service to their Lord. For their presence in our Association, and for their faithfulness we remain forever grateful!

The name of each member of the churches in this Association will be properly listed in the Annual Minutes of this Association.

"Blessed are those who die in the Lord. To their memory is dedicated my poem

DISSOLUTION

The death of summer is a pretty thing
With laughing hues like those of spring:
In birth of morn a robin sings,
While breath of truth refreshing brings.

The season's filled with joys galore
Of yellow leaves drifting down to explore
What lies ahead in material existence,
Acquiescent to all---to nothing, resistance!

October brings its gold and chills.
Galendulas and remembrance of daffodils---
A brillant azure sweeps the morning's blue
That animates and thrills one through.

Golden rod yellows a neighbor's field
A squirrel nibbles on nature's yield;
A forlorn canine meanders harmlessly
On a dusty road quite fruitlessly.

Now summer's passing is for our good:
Winter's snows bless lands for future food.
For every season has a worthy contribution
To God's creation and divine distribution.

--Raymond C. Lanier

EVANGELISM REPORT

For over three years Southern Baptists have prepared for the Crusade of the Americas.

Nineteen hundred and sixty nine is the climax year. Most of our churches had their revival meetings during the time of April 6-27. Since this emphasis embraced all of 1969, you may find the evangelistic results in the tabulated section of the Associational Minutes.

Pastors and other staff members held a most significant Prayer Retreat at Camp CaRAway. Evangelist Baxter Walker directed the meeting throughout the day. Several meaningful decisions were made by men present.

Several of our churches participated in PACT. They became prayer partners with another Baptist church in another state or country.

Each church planned special activities which were carried out sometime during he year.

The Crusade of the Americas will go down in history as the most extensive evangelistic effort undertaken by Baptist people in all their history.

May this prove to be a good beginning toward winning the lost people of the Americas to Jesus Christ as Saviour and Lord.

Respectfully submitted,
A.L. Parker, Chairman

BIBLICAL RECORDER REPORT

The year 1969 has been one of the most significant in the 136-year history of he BIBLICAL RECORDER. True, we cannot point to any spectacular gains in circulation, but each week the RECORDER is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the RECORDER has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark--an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

Whenever something significant was happening among N.C. Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust N.C. Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The Recorder should be in every Baptist home.

We will continue to speak the truth in love.

Respectfully submitted,
J. Marse Grant, Editor

Pastor-led and Director-led Enlargement prorams, communication workshops for Association and also State-wide Group-Learning linic (S.B.C. cooperation). Procuring at minimum cost adequate office equipment to erve our churches (we only had 1 desk, 1 table and 2 chairs when I came 11 years go). We have had to acquire this to handle and increase our work load through the ears. We have continuously promoted and presented to the churches our entire Denomation Missionary and Organizational Programs along with our distinctive Associaional areas of work. This has called for tens of hundreds of conversations with groups nd individuals and necessitated hundreds of committee meetings after routine office ours often into late hours of the night. Many such meetings have been held at lunch r supper hours in order to work them into our schedule. Our Association is rated outhwide and especially in North Carolina as the largest supporters of Denominational enevolent and Cooperative Mission work in the state. We know of many things that e would like to do but until we gain the moral and financial backing of our churches n assistance of our Associational Mission Budget we will continue to have to curtail ction on many of these desirable activities we know we should do. With your coninued support we will add more services from time to time. Accordingly, we are aking the following recommendation:

That we establish as a correlated work an annual period of Christian Training to be eld in some central location, as a basic Leadership Training School. There should be nnual training offered in methods, missions, music, administration and leadership mprovement, etc. The support and promotion to come from the budgets of the S.C., T.U., W.M.U., Brotherhood and Music so as to save by substantially reducing the mount needed for each organization in promotion. This we need to assure our churches f a source of continuing training.

We look forward to our work in 1971 with greater anticipation with a hope to see a roader and widening influence of your Associational Board and Supt. of Missions as ervants of the churches. We have now a view of the fulfillment of the retirement of ur indebtedness and of our properties at 719 Westland Drive within another year. The onds held on various churches are scheduled to almost entirely retire the indebtedess on the new Lakewood Properties acquired since our last meeting. With the backing of our churches and missions, we will be able to develop and further many objects and programs we could not engage in heretofore.

Respectfully submitted,
W.A. Duncan, Jr.
Supt. of Missions

COOPERATIVE PROGRAM REPORT

In a day when many major denominations are cutting back their missions programs e are pleased to report that Southern Baptists are making large advances. For intance, in the last seven years we have gone from $8,452,410 to $13,836,619 given to oreign missions through the Cooperative Program. Similar increases could be shown or all phases of our work.

Concern for People is the Cooperative Program theme for the year 1970-71. During he year the churches of Piedmont Association gave $149,778.00 the first 6 months of 970. Seventy-three percent of our churches participated through the Cooperative Misions Program of Baptist this first 6 months of 1970. To help the churches of 57 Assoiations grow in support of Cooperative Program work we recommend:

1. That our churches keep in mind the inflationary trends of our economy and pla to increase their contributions to missions.

2. That every church observe Cooperative Program Month in October.

3. That every church observe Cooperative Program Day in April.

4. That contributions through the Cooperative Program be on a percentage basi rather than a fixed dollar figure. To implement a program of percentage increase t world missions through the Cooperative Program we suggest.

A. For churches giving under 20%, advance 2% each year up to 20%.

B. For churches giving 20% but under 30% level, advance 1% each year to 30%

C. For churches reaching the 30% level, advance 1/2% each year until the objective set by the church is reached.

STEWARDSHIP DEVELOPMENT REPORT

The Stewardship Commission, SBC, now offers to the churches five programs t help in the matter of planning, promoting and pledging church budgets. They are

1. The Forward Program of Christian Stewardship. The theme for this year is "I You Really Care - Share."

2. Growth In Christian Stewardship, a program designed for the church with 30 members or under.

3. The Christian Family Acknowledging the Lordship of Christ through Stewardship This program is designed to teach sound money management principles to the Christian family by acknowledging the Lordship of Christ.

4. Tithers Enrollment Week plans.

5. Weekend Stewardship Revival plans.

In addition to these materials, which have become standard items, graded materials have been produced to help our churches begin teaching the principles of stewardship development during the early years. "My Money Helps" and "Money and Me" are for children six through eleven. "Youth In Stewardship (called YIS) is a five session youth fellowship emphasis.

Of increasing importance to the churches in our association will be the stewardshi chairman. New materials are being written to help this person do a better job.

We recommend:

1. That a stewardship chairman be elected in every church in our association

2. That we have a goal of 58 churches using stewardship development materials produced by the Stewardship Commission to plan, promote, and pledge their budgets

3. That we continue to emphasize the tithe as the minimum standard of giving and that we set a goal of more tithers in the churches of our association.

ENDOWMENT AND CAPITAL GIVING REPORT

This area of the work served by the Stewardship Commission of the Convention and by our state convention offices, is largely concerned with wills and trusts and capital fund needs of churches and institutions. Increasing emphasis needs to be given to the matter of the Christian family and a will as well as a program to raise large sums of money for capital needs.

To assist North Carolina Baptists in these matters we recommend:

1. That all churches in Piedmont Association conduct a MAKE YOUR WILL EMPHASIS next January or at any appropriate time.

2. That pastors focus special attention on the work of the State Baptist Foundation during the month of September.

3. That all churches set a goal for the number of wills and trusts to be prepared

y the members.

4. That a year-round emphasis be made upon the stewardship of accumulated pos-essions and resources.

Respectfully submitted,
Don Almond
Cooperative Program Rep.

EXECUTIVE BOARD REPORT

During the Associational year, 1969-70, the Executive Board transacted the follow-ng business for the Association:

1. Authorized the Program Committee to select the preacher for the annual Asso-iational sermon since those elected as preacher and alternate had both moved to astorates outside the association.

2. Recommended that churches in the association be given an opportunity to give love offering to W.A. Duncan as a tangible expression for his ten years of service s Superintendent of Missions in the Piedmont Association. This offering amounted o $1,052.86 from 22 churches.

3. Nominated four men to be considered by the Baptist State Convention Nomina-ing Committee in their selection of one member for the General Board of the Baptist tate Convention to fill a term that expires this year. The following names were sub-nitted: Ray Myrick (Lawndale Baptist Church), Otis Davis (Rolling Roads Baptist Church), Macon Greene (Guilford Baptist Church, and W.S. Caudle (Rankin Baptist Church).

4. Approved repairs on the Superintendent of Missions' home in the amount of 330.

5. Approved a resolution expressing disappointment in Dr. Randall Lolley's par-icipation in the dedication services of the Schlitz Brewing Company Plant in Win-ston-Salem, N.C. on May 8, 1970. Dr. Lolley had led in prayer at the dedication of he brewing plant.

6. Approved the 1970-71 budget to be presented to the association at its annual neeting on October 29, 1970.

7. Approved applications for pastoral aid from the Baptist State Convention for Barker Road Baptist Church, Immanuel Baptist Church (Fraser Chapel), Florida Street Baptist Church (Devon Drive Chapel), and Bethel Baptist Church. Also, approved an associational loan for Bethel Baptist Church building program.

Respectfully submitted,
Gerald C. Primm, Moderator.

SUNDAY SCHOOL REPORT

OCT 29, 1970

With excitingly new materials with which to assist learning, with flexible and pupil-centered grading-grouping patterns, and with renewed dedication to teach boys and girls and men and women the truth of God revealed in His Word the Sunday schools of our association can anticipate the greatest days of advance and growth in their history.

Many churches have experienced gains in enrollment and attendance; others have had to work had to maintain a level of attendance. Others have experienced losses.

We commend those with growth even as we pledge to assist those who are experiencing difficulty. We note with concern, however, that those Sunday Schools experiencing growth often find this growth the result of church member swapping rather than winning unreached persons to the Saviour. Therefore an area of concentratio for all churches should be those lost and unenrolled persons yet unreached by anyone

During the past year the three significant ministries of our associational Sunda School were: (1) the best attended Vacation Bible School Clinic ever featuring enthusiastically received new materials for all ages; (2) Cooperation with our state department of Sunday School in providing interpretive clinics and conferences in the 70 Onward Preparation period; and (3) in having the opportunity to visit several churche first hand to confer with leadership or lead conferences for workers. Perhaps in thi last area, on the field visits to churches, can our most effective ministry be realized We were not able to carry through with plans for a clinic concerning reaching the apartment dweller; this shall be a goal for the coming year.

The other major goal for the coming year will be to provide, by age groups, conferences for workers. This will be in the form of a central school featuring some o the new study course books.

Let us encourage pastors and Sunday School Directors to call on the associationa Sunday School officers whenever they can be of assistance to churches.

Respectfully submitted,
Robert C. Stewart,
Associational S.S. Director

WOMAN'S MISSIONARY REPORT

I am never quite sure if it was the look on the face of the Sunbeam, attending Da Camp at Lakewood, as she listened fascinated to the stories of the missionary i Japan or if it was the enthusiasm of some five hundred GAs at their spring banque at First Baptist as some stepped forward to receive an award as Outstanding G. A. o the Year or as the writer of an essay entitled "What it Means to Me to Be a G.A." Or perhaps it was the demonstration that the YWAs participated in .... a demonstration of love as they purchased and gave a piano to the Juvenile Detention Home It could have been the women themselves ... as they came eagerly to the Leadershi Training Conferences .... as they came anticipating to the Annual Association Meeting at Lawndale ... as they came desiring to a Prayer Retreat at Lakewood ... as the came graciously to host some three thousand women at the State Convention at th Coliseum. But, then again, it may have been these same women as they went .. went lovingly into the Indian home ... went helpfully to the thirty-six year old ma who could not read .... went faithfully to the young junior high girl who needed tutoring ... went bearing food and clothes to that one in need. No, I'm not sure when o where .... but somewhere ... perhaps everywhere .... in the faces and actions o the Woman's Missionary Union of Piedmont Baptist Association during this past year, I saw Jesus being shared with a seeking world.

Dr. Edna Slaughter, a famous doctor, tells how, as she made her daily rounds in th hospital, she encountered a man who could do nothing for himself. He could not mov his hand from one place to another. He could not feed himself, could not stand, coul not walk. This man became a personal challenge to Dr. Slaughter and with determine dedication she spent hours, months and even years teaching him to become self efficient. Imagine the thrill she must have felt when two years later this man walked fro the hospital ... this man who could not even stand before. As she shares the stor he tells her audience that only eight or nine months later she received a letter from he man and asks, "Can you guess where it was from ..... what this man had be- ome?" Immediately answers come from those listening .... "He surely must be teacher." .... "Or perhaps a preacher." ... "Is he a doctor himself?" ... but Dr. laughter sadly shakes her head .... "No," she replies, "the letter was postmarked oliet ... you see he was a prisoner. I taught him how to walk .... but I forgot to each him WHERE." Through Woman's Missionary Union in 1970-71 we hope to not nly teach one HOW to walk but also WHERE.

Respectfully submitted,
Shannon S. Wyrick, Director

1970 BROTHERHOOD ASSOCIATIONAL REPORT

Brotherhood objectives are to involve men and boys in Mission study and Mission ctivities.

During the past year on an associational level there were two workshops conducted ›r Baptist men and Royal Ambassadors, as well as an Awards Banquet for the boys nd a Missions Rally for the men. These meetings were very successful, with very ood attendance.

As in other of our church organizations, Brotherhood experienced some change in he new 1970 concept. The most important change is that of including 1st and 2nd rade boys in our Royal Ambassador program. Other changes affected literature and ffice titles and functions.

In 1971 there will be two teacher institutes held as a joint effort of your Associa- ional Brotherhood and W.M.U. for the purpose of training the teachers for your Home nd Foreign Mission studies.

Respectfully submitted,
Otis W. Davis

REPORT ON EVANGELISM

Evangelism is still a key word in Southern Baptist vocabulary.

Our task is to motivate and implement this word at every level of Southern Baptist Life.

Dr. Kenneth Chafin is the new Southwide Leader as Director of the Division Evangelism of The Home Mission Board. He said at Ridgecrest this past summe "I come to this position not to make drastic changes but to build constructively strong foundations already laid."

William Lamb is the new State Leader in Evangelism. As a part of the upcomi evangelism conference in February he has planned a gigantic youth rally at the Greensboro Coliseum with Leighten Ford and Bill Glass as featured speakers.

Most important of all is the work of The Local Church in Evangelism. We are grateful to God for every person won to the Lord Jesus Christ and baptized into the fellowship of our churches. Our hope and prayer should be that more Lost People will be wo and brought under the Lordship of Jesus Christ through the ministry of the local churc

Several significant meetings and events have occurred during the year.

1. The Associational sponsored Bible Conference with Dr. Stephen Olford and D Harold Lindsell.

2. The Bible Conference sponsored by Eller Memorial Baptist Church with Dr. Henr Morris, Dr. Karlis Leyasmeyer, Vance Havener and Sinclair Horne.

3. The Bob Harrington Crusade sponsored by the Florida Street Baptist Churc

4. The Evangelistic outreach across racial lines of the Immanuel Baptist Churc under the leadership of Pastor Paul Early. This church has the most effective interracial ministry in the association.

5. We encourage every church in the association to actively participate in "Th Greater Greensboro Crusade For Christ" with Billy Glass scheduled for the Greensbor Coliseum April 25th - May 9th, 1971.

We recommend that the Chairman of Evangelism and other associational leaders s up a lay witnessing institute to be held in one of our churches during the associatio year.

Respectfully Submitted by,

A.L. Parker
Chr. of Evangelism

ORDINATION COMMITTEE REPORT

This Committee has had opportunity again this year to be of service to the churches of the Association.

The following men were examined:

1. Thomas Brown at the request of the Sumner Baptist Church.
2. Wayne Poplin at the request of the Florida St. Baptist Church.
3. Robert Parrish at the request of the Southside Baptist Church.

Each man successfully passed his examination and was recommended for ordination.

We would encourage any church with a prospective candidate for ordination to utilize the services of the Association Ordination Committee.

REPORT OF ANNUITY BOARD

One minister, with normal retirement year set at 1985, and who will have been in e Southern Baptist Protection Plan or its equivalent for thirty-five years then at the nce-normal $4,000 salary level, has been notified that on this basis he may expect receive $179 per month, or $2,148 per year, at 1985 retirement. Comparing figures ke these with any kind of present income should cause the minister and church to onsider paying percentages on full salary, rather than on the $4,000 level, to upgrade e retirement nearer to a liveable amount.

Since 1918 the Annuity Board has paid $73,717,267 in benefits to Southern Baptist inisters, agency and church employees, widows and children through the programs dministered. The Board is enjoying excellent interest earnings, and was able to pay is year a "13th Check" to each participant, amounting to 13% of the annual benefit.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical rowth is the result of the long-range development program which has already seen the ompletion of the new power plant, the School of Nursing and Allied Health Building, d the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved quipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment some of our most dreaded diseases; the stroke center renders valuable service in e study and treatment of strokes and brain tumors. New equipment for the Intensive are unit includes an instrument which is attached to the patient and measures his eart action and blood pressure; if either varies from a safe range the machine signals e attendant immediately.

Changes in admission procedures have been made necessary by the financial isis the hospital faces. When a doctor reserves a bed for a patient the admissions fice contacts the patient to obtain the needed information, including the type and nount of his hospital insurance coverage. After estimating the hospital bill and etermining the amount of insurance coverage, the patient is notified of the difference hich he is expected to bring when he enters the hospital. An effort is made to counsel ith all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination care for the needy sick. This has been at the heart of the hospital's ministry since opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of spital care, in addition to the large number served in the Outpatient Clinics. The free re amounted to more than a million dollars beyond what these patients, their inrance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 this amount - $237,000 through the Cooperative Program and $328,000 through the

Mother's Day Offering. To date this year 37 churches in our association contribut $11,464.94 of the Mother's Day Fund, thus helping the hospital keep faith with i purpose.

Though our Mother's Day Offerings have grown they have not kept pace with t rising costs and our hospital is running a heavy deficit. If full use is to be made the new medical procedures and facilities in fulfilling our mission, we are going have to give our Baptists Hospitals additional support.

Your Hospital Representative

B. The state-wide Metropolitan Missions Conference, held in Winston-Salem, th year was an overwhelming success. We had a representation of many churches of t state in attendance. Many of the people were so interested in the subjects discuss that they remained the full two days of the Conference. This was quite a successf event for all those who participated.

These are conducted in the following sociations: New South River, Gaston, Raleigh, and Pilot Mountain. Even though there only four, we need ten in the state of North Carolina.

The Associational Christian Social Ministries program includes work in the follow- areas: the Church-Community Weekday activities, beginning with the pre-schooler continuing through the aging; the Baptist Center Program - both in the Center and modified Centers; the juvenile and adult delinquents, the ex-prisoner and the drug- lict.
